OFFICE OF THE COUNTY SECRETARY/HEAD OF COUNTY PUBLIC SERVICE

Part A. Vision

To lead the management of a public service able to effectively deliver on the Government objectives.

Part B. Mission

To provide the Governor and his Executive Secretaries (cabinet) with sound policy advice and support and promote a whole-of-government approach resulting in improved governance for the benefit of the County.

Part C. Performance Overview and Background for Programme(s) Funding Achievements

The Mandate of the Office of County Secretary is to coordinate and facilitate the business of the County Government of Nyeri generally and to support the effective functioning of the Executive Committee specifically. The Office also ensures an adequate degree of inter-departmental

consultation on proposals for Executive Committee, manages the quality and content of information reaching the Executive Committee and Executive Committees by reviewing all materials in advance and briefing the Governor on key issues coming to the Executive Committee.

As Head of the County Public Service, the Office provides stewardship to the overall County performance and related county-wide governance systems. The Office of the County Secretary currently has four directorates under it which are: Public Administration, Alcoholic Drinks Control, Civic Engagement & Public Participation, and Inspectorate Unit.

The Office within the FY 2023/2024 managed to effectively organize the business of the Executive Committee, communicating, and following up on implementation of Cabinet decisions as well as coordinating inter-departmental and county organs communication. The Office managed to organize several performance review workshops with the County Executive Committee and Chief Officers. This has immensely contributed to the creation of sound operational systems, policies and strategies for better governance and performance of the County.

In the year under review, the office managed to construct a security perimeter wall at Karatina Sub County and Othaya Sub County offices respectively and repair the Nyeri Town Hall boundary wall all aimed at providing a secure working environment for our county staff. The office further refurbished the County Secretary's Boardroom and constructed a carport at the Nyeri Town hall all in order to improve the working environment for our staff.

Under the Public Administration Unit, the Office managed to coordinate training of the ward climate change committee members and coordinated the public participation exercise in preparation for various county programs including preparation of the County Fiscal Strategy Paper 2024/2025 and Elimu Fund exercise. The enforcement unit was engaged in revenue enhancement activities across the county.

The Office through the directorate of Alcohol has also managed to facilitate the control, regulation and licensing of alcoholic drinks outlets managing to collect revenue amounting to Ksh. 53,000,000 (fifty-three million). The Unit was targeting to collect over Ksh 86,000,000 (eighty-six million) but due to the impact of Covid-19 on liquor businesses, the same could not be achieved

The Major outputs expected in the MTEF period FY 2024/25-2026/27 is improved workspace for sub county and Ward Officers, enhanced performance development, monitoring, and evaluation for improved efficiency, enhanced civic education, better policy formulation and dissemination. For effective performance of the County Public Service, the County Secretary's Office is also expected to provide leadership to public sector transformation initiatives.

Challenges

- Delayed Exchequer releases
- Inadequate budgetary provision
- Staff capacity challenges

FINANCE, ECONOMIC PLANNING AND ICT

Part A. Vision

A leading sector in monitoring, evaluating, and overseeing the management of public finances and economic affairs of the county

Part B. Mission

To provide overall leadership and policy direction in resource mobilization, management, and accountability for quality public service delivery.

Part C. Performance Overview and Background for Programme (s) Funding

Major achievements for the period

- Preparation submission and enactment of the Finance Bill, 2023.
- Preparation of the Approved County Intergraded Development Plan 2023-2027
- Preparation of the draft Annual Development Plan for the FY 2024/25.
- Preparation and submission of the quarterly Budget Implementation and Financial Reports:
- Preparation and submission of the County Budget Review and Outlook Paper (CBROP), 2023.
- Preparation and submission of the County Fiscal Strategy Paper, 2024.
- Preparation and submission of financial statements for 2022/2023
- Preparation and submission of quarterly financial statements for the FY 2023/24
- The county treasury has promptly and effectively continued to pay and clear outstanding pending bills

Constraints and challenges in budget implementation and how they will be addressed in FY 2024/25.

- The continuous recruitment of staff has continued to put pressure on the county wage bill and the overall county budget despite the shrinking resource basket
- Limited capacity within the community to actively participate in development activities prioritization. In 2022/2023 more emphasis will be put on common interest groups and stakeholders to improve community prioritization of development needs.
- Strained budgetary provision. In FY 2022/2023 focus will be directed towards mechanisms to increase and enhance local revenue as well as seeking support from development partners.
- Non adherence to budget preparation and implementation guidelines by departments and other spending units. Capacity building and training programmes will be up scaled in the coming financial year to ensure compliance with the fiscal responsibility principles.

Major services/outputs to be provided in medium term period 2024/25 – 2026/27 and the inputs required

- Enhancing the involvement of stakeholders in county economic planning and budgeting
- Strengthen the newly established County Budget and Economic Forum
- Establish an integrated county M & E system and strengthen the M&E unit.
- Strengthen and enhance the dissemination and feedback mechanism.
- Enforce compliance to PFMA, 2012, PP&ADA, 2015 and other statutes governing public finance management
- Timely preparation of the annual budgeting, economic planning documents and financial statements.
- Enhancing and continuous capacity building of the County Audit Committee.

HEALTH SERVICES

Part A. Vision:

A wealthy County with healthy and secure people for shared prosperity

Part B. Mission:

To create, enhance and sustain an environment that unlocks potential of the people of Nyeri to achieve progressive socio-economic growth by running an open and inclusive government.

Goals:

- An efficient and high-quality health care system that is accessible, equitable and affordable for all.
- To promote and provide quality integrated preventive, promotive, curative, rehabilitative and palliative services to all Nyeri county residents.

Part C. Performance Overview and Background for Programme(s) Funding

To supplement the department's annual budget, Health Services Fund Act 2021 was enacted and came into operation at the beginning of the financial year 2021/2022. The aim was to allow health facilities to utilize User Fees Collected (FIF) for improvement of health care services across the county.

During FY 2022/2023, 35% of the County Budget amounts to Kshs. 2,632,788,639 was allocated to the department. The Health Services Fund also played a critical part in supplementing the health budget. Health facilities collected a total of Kshs. 473,033,705 (90.60%) by the end of FY against the annual target of Kshs. 522 million. Personal emoluments were allocated the highest percentage of 83% of the total health budget.

In FY 2023/2024, the department was allocated a total of Kshs. 2,907,789,927 which include Kshs. 2,432,559,731 for recurrent expenditure and Kshs. 475,230,196 for development. Personal emoluments received the lion share of the budget.

FY 2024/2025 budget ceiling for health department is set at Kshs. 3,061,130,297 which is 35% of the total county budget. The source of financing includes sharable revenues, conditional grants and partners as tabulated below:

S/No	Source of Funding	Estimated Amount – Kshs.
1.	Conditional Health Commodities/Services	300,000,000

2.	Danida support to rural health facilities O&M.	8,336,250
3.	Grant for Community Health Promoters (CHPs)	58,167,956
4.	Sharable revenue from Exchequer	2,694,626,091
Total		3,061,130,297

The budget will be shared among three program areas namely:

- General Administration, Planning and Support services.
- Preventive and Promotive Health Services
- Curative & Rehabilitative Services.

Economic Development in Health:

Health is a social and constitutional right and has a direct effect on the household economy. Increase in out-of-pocket expenditure at individual and household level may compromise other economic activities such as education and food security.

The Kenyan Government has reaffirmed its commitment to achieving Universal Health Coverage (UHC) by 2030, a vital concept that aims to ensure access to quality health services without financial hardship. Under the Bottom Up Transformative Agenda there is a focus on shifting the healthcare system from a curative approach to a preventive and promotive one which has been done through the enactment of 4 UHC laws on October 2023. These Acts namely Primary Health Care Act, Digital Health Act, Facility Improvement Financing Act and Social Health Insurance Act aim to broaden the scope of public healthcare, provide healthcare and financial protection to all Kenyan citizens and long-term residents, while also bringing about significant changes in the healthcare financing and administration. One of the key provisions of the Primary Health Care Act is the establishment of Primary Care Networks (PCN) and formalizes community health services through community health promoters (CHPs) organized in community health units. The Social Health Insurance Act introduces a comprehensive scheme for mandatory social health insurance, aiming to provide financial protection and equal access to healthcare services to all Kenyans. The Act establishes 3 funds namely.

- Primary Healthcare Fund which will focus on procuring primary health services from healthcare facilities,
- Emergency, Chronic and Critical Illness Fund which will serve as a safety net for individuals facing significant healthcare expenses due to the unforeseen emergencies or long-term chronic conditions
- Social Health Insurance Fund that will cover for comprehensive health services provided by the healthcare facilities using contributions made under the Act

The department has recorded major improvement in the following key areas:

Achievements on Strengthening Health Care System:

The county health department continuously procured and supplied health commodities to all 130 County Government health facilities with essential medicine availability rate of over 80%.

To enhance health service delivery, the county government recently recruited several health care workers who were deployed to various facilities.

Further, in an attempt to address the resource gaps experienced regularly, there was heightened effort to engage the national government and the donor community for enhanced collaboration and partnerships. Towards this, the department of health services applied and won competitively a Center for Disease Control (CDC) grant in FY 2020/2021 to implement HIV/AIDS programs in the County. The County was awarded USD 167,597 in Year 1 which has increased to USD 548,284 in Year 4 of implementation due to good performance in management of the grant.

On health infrastructure development, the construction of the 175-bed capacity level 4 hospital in Naromoru is now complete and is being operationalized in phases. The hospital is expected to play a key role in providing referral services in Kieni East and West Sub Counties.

The department has recorded major improvement in the following key areas:

Area of intervention.	Milestone realized.
Service delivery.	• Institutionalizing programs for patient safety and quality of care through training and practice. Strengthening the rollout of safecare quality model in hospitals. • The Department equipped Health Centres and dispensaries with assorted medical equipment among them 60 KEPI Fridges • The Department conducted joint Health Inspections in selected Rural Health facilities including Private and FBOs to improve on service delivery • As of 31st March 2024, a total of 377,645 persons have received Covid-19 1st dose vaccination, while 301,181 persons are fully vaccinated across the County with 64,147 receiving booster doses. • 203 000 Community members were screened for diabetes and hypertension by CHVs. This by extension will play a key role in reversing the trend of non-communicable diseases and other ailments. • Trained 90 Health Facility Committee Members • Continued Vitamin A supplementation and deworming of children across the county. • Sensitized communities on risk communication and community engagement for Covid-19 and other diseases of public health importance. • The County has a well-established Community Health Strategy system with 2,510 Community Health Promoters who were very instrumental in providing health services at household level: • Skilled deliveries at 99% • Neonatal mortality rate reduction from 11 deaths per 1000 live births to 9 deaths per 1000 live births

Area of intervention.	Milestone realized.
	• HIV patients receiving treatment at 96% • HIV Viral suppression at 96% • Over 50,000 people were screened for breast cancer. • Tested assorted food products for aflatoxin contamination. Also submitted milk and other food products to the government Chemist and Public health for food quality tests. • Operationalized the County Emergency Operations Centre (EOC) Unit that has been key in coordinating the Covid-19 pandemic. • Conducted outreaches for screening and treatment of various diseases like cancer. • Expanded dialysis services by 2 additional machines. • Operationalized the 6 Intensive care Unit beds from the previous 3 among others
Infrastructure development and improvement.	• Construction of an accident and emergency unit at Karatina level IV hospital. • Medical Equipment for various Rural Facilities & Hospitals. • Completion of Rukira Dispensary • Construction of Nyeri Town Health Centre mother child unit. • Construction of Incinerator at Gichiche Health Centre • Construction of Gitathi-ini Dispensary Phase II • Extension of laboratory works at Karatina level IV hospital. • Construction of a walkway at Mt. Kenya Sub-County hospital • Construction of a Septic Tank, Soak Pit, & Placenta Pit at Ruruguti Dispensary. • Construction of Iruri Dispensary - Phase 1 I • Thaithi Dispensary Renovations of Buildings • Proposed Cabro paving and renovation of maternity block Othaya Hospital • Renovation works at Gathumbi Dispensary • Renovation works at Ward Public Health office. • Renovation works at Marua Dispensary • Renovation of Gate at Itundu Dispensary • Construction of Kaheti Dispensary - Phase 3. • Proposed completion of Toilet Block, laboratory and changing rooms at Kiaguthu Dispensary • Construction of a burning chamber at Embaringo dispensary. • Construction of a Kitchen block at Narumoru Level IV hospital • Construction of Morgue at Narumoru Level IV Hospital • Construction of Laundry at Narumoru Level IV Hospital • Supply and delivery of Kitchen, Laundry and Mortuary Equipment.
Recruitment of Human Resource for Health.	• The Department promoted 699 staff in the current financial year. • The Department hired 5 Medicals Officers and 5 Clinical Officers Anesthetists
Leadership and Governance.	• Nyeri County Health Services Fund Act, 2021 and its Regulations. • Nyeri County Emergency Medical Care Plan (2020/21-2024/25) • Nyeri County Nutrition Action Plan (2020/21-2024/25) • Nyeri County AIDS implementation Plan (2020/21-2024/25) • Nyeri County Community Health Services Bill, 2023- Draft • Operationalization of a County Emergency Operations Centre (EOC) Unit that has been key in coordinating Covid-19 pandemic. • Social sector plan 2024/2034

Constraints and challenges in budget implementation:

The total health budget is 35% of the total County Budget. Although the department gets the lion share of the county budget, the budget in absolute figures has reduced by 2% from 37% provided in FY 2023/2024.

Personnel emolument takes over 84% of the allocation and increased demand for additional staff is evident. The department is left with only 14.7% for Development projects and 1.3% of the budget for Operations and Maintenance (O&M) which is barely enough to address the demand for health commodities and utility bills.

The department is experiencing higher attrition of staff through retirement though replacement is slow despite such replacements having no budgetary implications. The declining workforce in health worsens the existing staff shortage in facilities thus compromising the quality of care to patients and administrative duties.

The end-to-end IFMIS procurement process has been delaying the bidding processes mainly due to non-responsive bidders which sometimes is affected by high inflation currently experienced in the Country.

Recommendation for implementation of Departmental budget.

The Department will carefully invest in available funding based on its priorities and strategic direction with a view to strengthening Primary Health Care through.

- i. Increase annual health budget to a minimum of Kshs. 3.9 billion, using Health Services Fund, Donors, and other development partners.
- ii. Strengthening operationalization of Nyeri Health Service Fund act 2021 and its regulations to ease collection, use and management of FIF.
- iii. Ease the flow of funds to the department and health planning entities for timely implementation of planned activities.
- iv. Provide a budget for medical equipment service (MES) contracts to reduce the down time of essential equipment.
- v. Timely replacement of staff leaving the service due to retirement or natural attrition in order to create stability in the human resource management.

COUNTY PUBLIC SERVICE AND SOLID WASTE MANAGEMENT

Part A: Vision

To be the lead in Public Service and sustained healthy and clean environment

Part B: Mission

To provide efficient and effective Public Service and Solid Waste Management Services

Part C: Performance Overview and Background for Programme (s) Funding

The department has its focus on improving efficiency and effectiveness of County Public Service and Solid Waste Management services

Achievements

During the period 2023-2024, the Department was able to.

- Provide and coordinate responsive and effective services to the public.
- Promote ethics and integrity in Public Service Delivery.
- Ensure good working relationship within the County Public Service.
- Improvement of the Work environment through repairs and renovations of offices and ablution rooms and improvement of drainage system at Block C;
- Enhancement of accessibility through construction of ramps from the parking area to the main entrances (reception) at block C and the Governor's office
- Enhanced efficiency in garbage collection through provision of additional 20 skips bins;
- Adherence to the NEMA regulations on Solid waste management.
- Enhanced curbing of illegal activities mainly associated with dumpsites by engaging the services of security guards at Karindundu and Gikeu dump sites.
- Management of disposal sites by continuously murrming the roads to make them motor-able and compacting the waste to prevent spreading of light garbage by wind.
- Established partnership with the WEEE (Waste Electrical, Electronics, Equipment) Centre to enhance collection and disposal of e-wastes. A 40-foot container was installed at the Department of Lands Compound.
- Construction of waste sorting sheds at Karatina Dumpsite.

- Enhancement of supervision through the acquisition of a motor vehicle.
- Capacity building for the youth through the internship programme, through engagement and placement of 179 in the 4th cohort of the interns in an effort to enable them gain hands-on experience, and payment of their monthly stipend.
- Management And Coordination of The County Internship Programme. The Department Organized the exit of the 4th Cohort of Interns that was held on 9th January, 2023, and preparation of the for the recruitment of the 5th cohort;
- Continued the Digitization of human resource records.
- Implementation of the employee's job description.
- Coordination of the medical cover and Insurance for the County Staff.
- Coordinated the exit of the retiring officers.
- Timely processing of staff salaries (Payroll closure) on or before 10th day of every month).
- Offering industrial attachment opportunities for graduates.
- Adherence to the performance management plan.
- Continued the Implementation of recommendations made by the SRC following the Review of Job evaluation as per the SRC guidelines for the third cycle 2021/2025.
- Coordination and Management of final benefits payable to the employees.
- Convening the Quarterly County Human Resource Advisory Committee (CHRAC) Meetings, and implementation of the resolutions.
- Implementation of promotions as per the County Public Service Board's approval.
- Preparation of individual statement for all staff Members for the gratuity contributions.
- Management of dumpsites through waste pushing and compaction, and waste sorting. Where over 36,000 tonnes of waste was handled;
- Installation of two (2) flood light masts at the Gikeu dumpsite and one (1) at Karindundu.
- Planting of phytoremediation trees along perimeter wall of Gikeu dumpsite.

Constraints and Challenge

- Insufficient budgetary funding.
- Late disbursement of funds as well as attainment of Bill of Quantities for projects.
- Delay in digitization of Human Resource records, due lack of working tools and equipment.
- Inadequate transport facilitation in the department due to shortage of vehicles, hindering supervision. Considering the combination of the Solid waste management and Public Service functions, where all service providers (including the County Executive Committee Member and the two (2) Chief Officers) have to share the only three available vehicles, with two vehicles being old and this have regular mechanical breakdowns;
- Extreme weather, more so the el-nino rains, affecting implementation of both works and services.
- IFMIS down time affected the implementation of programs and services.
- Regular break down of the waste collection trucks.
- Long distances travelled to dispose waste affecting sequence and efficiency of collection.
- Inadequate staffing.

- Delays in getting the updates from the IPPD Unit, thus delaying processing of the payroll;
- Unmotivated workforce due to lack of promotion.

Mitigation strategies

In order to minimize the negative effects of the challenges and constraints, the following are some of the proposed mitigation strategies that will be implemented, subject to availability of resources;

- Increase in Budgetary allocation to the Department.
- Recruiting more technical and support Officers.
- Capacity building of the technical staff.
- Training of Trainers on stress management and counselling of staff.
- Participating on Training of Trainers programmes on essential counselling skills that is conducted by Kenya School of Government in liaison with the relevant national Government Ministry to equip with counselling skills and the same be cascaded to the County staff.
- Training of Human Resource Professionals on emerging issues such as remote working.
- Promoting of systems that can assist staff to work remotely.
- Procurement of at least four (4) additional supervisory vehicles for the department.
- Procurement of more waste collection trucks, waste management facilities and waste disposal sites.
- Expand Public-Private Partnerships in solid waste management.
- Build the capacity of the existing solid waste recyclers in the County.
- Enhance Public sensitization programmes on sustainable garbage management systems.

Major Services/output in the Medium-Term Period FY 2024/25 – 2026/27

- Processing and forwarding of the payroll on time every month.
- Finalization of the digitization of staff records and updating of the digitized records.
- Recruitment, induction, placement and capacity building and subsequent discharge of interns in each financial year.

AGRICULTURE, LIVESTOCK AND AQUACULTURE DEVELOPMENT

Part A. Vision

A food secure, healthy, economically stable, and environmentally sound county.

Part B. Mission

To be a vibrant, inclusive, and sustainable rural economy with transformed food, water and land use systems

Part C. Performance Overview and Background for Programme(s) Funding

Achievements during year 2023/2024

- Enhancing collaboration and partnerships with all stakeholders in the Agricultural Sector. These includes world bank and SIDA funded projects that included Kenya Climate Smart Agriculture Project and Agriculture Sector Development Support Program
- Promotion of modern technologies in aquaculture by restocking of ponds and dams with fingerlings and provision of fish feeds for fish farmers.
- To enhance food and nutrition security the department implemented various projects i.e., completion of cooler house, procurement of manure and coffee seedlings to improve coffee sector, Procurement and distribution of relief food to vulnerable/affected persons, Supported farmers with Indigenous chicks, Supported Cottage industry for raw material for feed formulation, setting an apiary of 40 Modern hives
- Capacity building on appropriate agricultural technologies, Innovations, Plant clinic and soil testing services.
- Improvement of livestock breeds by procurement of improved indigenous poultry breeds, pigs and dairy goats.
- Enhancing mechanization services in the county by rehabilitation of machineries and procurement of tractor and equipment for the AMS Naromoru.
- Packaging of climate change resilient technologies through the Kenya Climate Smart Agriculture Project (KCSAP) and funding groups under micro projects and sub projects.
- Promotion of high yielding breeds and breeding by provision of free artificial insemination services.
- Vaccination of animals against notifiable diseases

Constraints and challenges in budget implementation and how they will be addressed in FY 2024/25

A. Constraints and challenges in budget implementation

- Inadequate funding
- High costs and poor quality of farm inputs
- Unreliable weather patterns due to effects of climate change
- Low staff: farmer ratio.
- Inadequate transport facilities.
- Aging workforce affecting succession management
- Low adoption of technologies by clients
- Poor research-extension –farmer linkage

B. Mitigation strategies

- Increase in resource allocation to the department
- Promotion of Public Private Partnership (PPP) for resource mobilization
- Recruiting more technical officers
- Packaging and dissemination of climate change resilient technologies
- Capacity building of the technical staff
- Improvement in water conservation mechanisms
- Procurement of more vehicles.
- Strengthen research extension farmer linkage

Major services/outputs to be provided in medium term period 2024/25 – 2026/27 and the inputs required

- Increased production and productivity of the priority value chains
- Enhanced diseases and pests' control in both livestock and crops.
- Improved aquaculture development.
- Improved food security and household income.
- Reduced post-harvest losses
- Enhanced extension services through embracing PPP
- Embracing multi-sectoral approach to extension
- Increased capacity building of staff
- Increased revenue collection through mechanization services.

Part D: Programme Objectives

	PROGRAMME	OBJECTIVE
1.	Agricultural Management	Create enabling environment for improved and efficient service delivery to diversify agricultural production for increased income and enhanced food security.
2.	Wambugu ATC	To provide quality agricultural training Services and facilities for enhancing agriculture development in Nyeri County and beyond.
3.	AMS Naromoru	To offer mechanization services to the Agricultural Sector.
4.	Livestock Production management	To increase livestock production and productivity for increased income.
5.	Veterinary Services	To manage and control pests and diseases in animals to safeguard human and animal health.
6.	Fisheries development and Management	To raise the income from aquaculture by 10% through increased fish production and value addition.

TRADE, COOPERATIVES, CULTURE AND TOURISM

Part A. Vision

A competitive economy with sustainable and equitable social-economic development.

Part B. Mission

To promote innovative and transformative economic interventions for investment promotion, enhanced growth, and sustainable development.

Part C. Performance Overview and Background for Programme(s) Funding

Performance Review

The sector direction in terms of performance has been and still remains as to;

- Develop markets for economic growth
- Promote fair trading environments and consumer protection

- Enhance investment and promote regional economic integration
- Enhance industrial and enterprise development
- Develop and promote tourism and cultural heritage for increased economic growth.
- Strengthen the cooperative movement

Major achievements for the period and expenditure trends;

- Fully implemented Nyeri County Enterprise Development Fund Act which has unlock affordable financing to small and medium business in Nyeri County. The Enterprise development fund has benefited 193 traders in the period of expenditure.
- Constructed and Improved Markets in the county, Mudavadi extension Market, Mudavadi Market, Kiawara Market stalls, Kamakwa market stalls market, and Mihuti market which will provide clean and friendly environment for business.
- In the expenditure period the department of trade has settled 1,164 traders. The Department continues to improve trading environment for traders in markets by providing better roofing, better floors, solar lighting and providing water.
- The department has continued to promote Investment in the period of expenditure by compiling and printing the first Nyeri county Investment profile.
- The department rehabilitated the culture center/ Nyeri Heroes Park by constructing, a fence and installation of air conditioning in the cinema hall, parking space leveled and murramed, water installation and tree planting around the compound.
- In pursuit for consumer protection through fair trade practices, the weights and measures unit in the department of trade in the year of expenditure conducted spot checks inspection and verification of 14,300 weighing and measuring equipment within Nyeri County through visiting 188 trading centres.
- For efficiency in ensuring fair trade practices and consumer protection mandate is effective, the department acquired a specialized verification vehicle.
- The department trained 1000 co-operative leaders and members.

Constraints and challenges in budget implementation

- During the expenditure year a lot of unforeseen activities which need financing emerged such as procurement of soaps and hand sanitizers, installation of hand washing stations.
- Inadequate financing that lead to incomplete projects.
- Delayed disbursement of funds

EDUCATION AND TRAINING

Part A. Vision

A globally competitive education, training, and innovation for sustainable development.

Part B. Mission

To provide, promote and coordinate quality education and training for sustainable social—economic development.

Part C. Performance Overview and Background for Programme(s) Funding

Major Achievements for the period

During the year 2023/2024, the following were achieved.

- Upgrading of ECDE centers infrastructure
- Recruitment and capacity building of employees.
- ECDE teaching & learning and instructional materials provided
- Over 15,000 students benefited from Elimu Fund Bursaries
- Vocational Training Centers offering National Vocational Certificate in Education and Training (NVCET) and National Industrial Training Authority (NITA) exams were assisted with examination materials.
- Capacity building workshops for Vocational Training Centers Managers

Constraints and challenges in budget implementation and how they will be addressed in FY 2024/25

S/No	Constraints/Challenges F/Y 2023/24	Remedy for FY 2024/2025
1.	Inadequate means of transport in the department	Provide two extra double cabin vehicles with a minimum capacity of four passengers each.
2.	Lengthy procurement and payment procedures	Ensure timely implementation of the approved procurement plan
3.	Inadequate office spaces and sanitary facilities	Look for more office space and improve on the available sanitary facilities, staff to share office in the meantime
4.	Shortage of working tools and equipment	Procure enough
5.	Shortage of furniture and storage facilities	Provide and maintain furniture and existing storage facilities
6.	Shortage of VTC instructors	Recruit more to close the gap.

Major services/outputs to be provided in MTEF period 2024/25 – 2025/26 and the inputs required (the context within which the budget is required)

The following are the major services/outputs to be provided during

- Capacity building of departmental staff
- Upgrade and expand VTC and ECDE infrastructure
- Rebrand Vocational Training Centers.
- Provide training tools and equipment for VTCs and learning/instructional materials for ECDE centers
- Recruit and maintain adequate teaching force for VTCs

- Provide outdoor play equipment for ECDE centers
- Appoint BOM members every three years and capacity build them.
- Increase Elimu Fund Bursaries.
- Allocate a vehicle to each sub-county to improve efficiency and effectiveness in service delivery

SP4:1 Devolution management	Devolution management						

WATER, ENVIRONMENT & CLIMATE CHANGE

Part A. Vision

Sustainable access to quality, safe and adequate water in a clean, secure climate resilient environment.

Part B. Mission

To promote, conserve, protect and enhance climate resilient environment and improve access to water for sustainable development.

Strategic Objectives

The strategic objectives of this sector are:

- To increase access to water for domestic and irrigation systems.
- To promote conservation and protection of water sources.
- Enhance environmental conservation and management
- To mobilize financial and human resources towards enhanced climate mitigation, adaptation and low carbon development pathway.
- To build resilience of communities against the effects of climate change.

Part C. Performance Overview and Background for Programme(s) Funding

Performance Review

The water sectoral goals have always been to:

- Conservation of water catchment areas and flood flows
- Increase water storage capacity.
- Exploitation of ground water potential
- Reduction of Non-Revenue Water
- Extension of pipelines
- Inclusive of modern farming methods in the design for irrigation projects

Departmental achievements for the period and expenditure trends.

Directorate of Water and Irrigation

- The department has been involved in construction of water infrastructure in the county that include water storage tanks, extension of water pipeline for different water projects in the county, rehabilitation of boreholes (7 No. covering about 3000 households). Extension of the community water-based project has been ongoing where about 9,000 households were covered in the previous 2023/2024 FY. Also, minor irrigation will be practiced at households at around 1/16 an acre per household.
- The department has also held meetings with other partners like, Upper tana (IFAD Project), National Irrigation Authority, Ifad Nairobi fund, TARDA, Tana water works Agency in order to request for project funding. The stakeholders have been very responsive and water issues both domestic and minor irrigation, have been addressed in various areas.
- The Department has also collaborated with the agriculture department to implement projects under NAVCDP and ASDSP II.
- During the 2024/2025 financial year the department is looking forward to acquiring funding from NDMA, National Water Harvesting and storage Authority, National Irrigation Authority, Ifad Nairobi fund, and Tana water works Agency as various project proposals have been forwarded for consideration.
- Investors' presence in the water sector has been encouraged through public-private partnerships.

Directorate of Environment and Climate Change

(i) Achievements

The Directorate had its focus on enhancing environmental management in the County. This was done and achieved through:

- Field/ on-site inspections to ensure compliance, control, and carry out sensitization on environmental issues e. g. noise and water pollution, forest patrols, and tree felling approval services.
- Training of Near Forest Communities, WRUAs, and other community groups on environmental sustainability.

- Creation of awareness in environmental conservation and management through celebrating international environmental days such as World Environment Day, and World Wetlands Day among others.
- Installation of energy-saving jikos in 29 institutions.
- Planting and distribution of over 37,000 assorted tree seedlings in institutions, public land and on-farm.
- Sensitization to communities on forestry matters, environmental conservation and climate change adaptation, mitigation, and resilience.

(ii) Constraints and Challenges:

Some of the challenges and constraints experienced in the budget implementation include:

- Complexities in procurement procedures
- Lack of Directorate supervision vehicles
- Insufficient office space for environmental and climate change officers

(iii) Mitigation strategies

- Increase in resource allocation to the Directorate.
- Training and capacity building of all levels of staff on procurement processes and procedures
- Procurement of inspection/ supervision vehicle
- Allocation of office space for the Directorate staff

(iv) Major Services/output in the Medium-Term Period FY 2024/25 – 2026/2027

The Directorate seeks to:

- Have sustainably managed natural resources – forests, water etc.- through increasing environmental awareness community trainings as well environmental inspections and patrols
- Fully comply with environmental management standards for the sake of its citizenry through regular inspections, patrols and monitoring
- Undertake projects geared towards increasing community resilience and adaptation while reducing vulnerability to effects of climate change

COUNTY PUBLIC SERVICE BOARD

Part A. Vision

The Board's vision is 'To be a trend setting, ethical and dynamic institution that enables delivery of quality public service.'

Part B. Mission

The Board's mission is, 'To support and enable Nyeri County Government deliver professional, ethical and efficient services through a transformed public service'.

Board Development Direction

- To establish and abolish offices in the county public service;
- Appoint persons to hold or act in offices of the county public service including in the Boards of cities and urban areas within the county and to confirm appointments;
- Exercise disciplinary control over, and remove, persons, holding or acting in those offices as provided for under this Part;
- Prepare regular reports for submission to the county assembly on the execution of the functions of the Board;
- Promote in the county public service the values and principles referred to in Articles 10 and 232;
- Evaluate and report to the county assembly on the extent to which the values and principles referred to in Articles 10 and 232 are complied with in the county public service;
- Facilitate the development of coherent, integrated human resource planning and budgeting for personnel emoluments in counties;
- Advise the county government on human resource management and development;
- Advise county government on implementation and monitoring of the national performance management system in counties
- Make recommendations to the Salaries and Remuneration Commission, on behalf of the county government, on the remuneration, pensions, and gratuities for county public service employees.

Part C. Performance Overview and Background for Programme(s)

Achievements of the Board

The following were the major achievements of the Board:

1. Motivational strategies

The Board introduced various motivational strategies that were geared towards the attraction and retention of staff. Such strategies included the conversion of terms for the contract employees who had served a complete contract. Further, posts were advertised internally to give opportunity to serving employees to advance.

The Board have undertaken promotions to all eligible staff at a cost of Kshs 172 million in the financial year 2023/2024. The promotions are aimed at addressing staff stagnation, career progression, succession management and retention of rare skills in the county.

2. Reduction of employer-related labour disputes

The Board enhanced employee-employer relations among the employees and the unions-employer relationship to address the emerging issues affecting the employees. This relationship has addressed labour disputes registered at the Employment Courts and at the Public Service Commission.

3. Staff welfare

The Board made an effort to strengthen the staff welfare through the adoption of various measures. This included but not limited to;

- Addressing all pending staff issues within the shortest time possible;
- Engaging the employee unions.
- Addressing the succession management across the departments.

4. Recruitment of the fourth cohort interns

The Board recruited the fifth cohort of interns. This was undertaken successfully, and the young graduates were deployed to relevant departments. The young graduates have acquired the necessary skills to enable them to secure jobs in the market. A number of the interns have been absorbed by the County and others secured employment by the national government and other employers.

5. Matching of skills and competencies

The Board has successfully undertaken the redesignation and integration of the officers who are misplaced and are deployed at the wrong places. The officers are now motivated and have a clear career progression path.

The major constraints/ challenges experienced are as follows;

i. Adherence to Values and Principles of the Public Service.

There are cases of complacency in the implementation of Values and Principles of public service. The Board will undertake sensitization of all employees within the County on regulations, policies, prudent utilization of public resources and prompt service delivery. This will enable the citizenry of Nyeri to receive the intended benefits of Devolution.

ii. Performance appraisal system.

The performance system that is in place is not able to provide accurate, quantifiable and scientific performance results. The County does not have a robust, effective and transparent appraisal system hence making the performance review a cumbersome exercise.

The Board intends to undertake consultations with the Directorate of Personnel Management to come up with a good performance appraisal system and sensitization of staff. Further, the Board will offer guidance on the reward and sanction of staff.

iii. **Storage facility for applications]**

The Board is faced with challenges of storage, especially on applications that continue to occupy much of our registry. The Board has developed an in-house E-Recruitment so that efficiency can be achieved in recruitment, as well as address the challenge of storage.

iv. **Limited financial resources**

The Board is faced with limited resources that cannot support all of its essential programmes. It will be critical that the Board's budget is improved so that these programmes are well supported.

v. **Ageing workforce**

The County is faced with an ageing workforce, with over 1000 of the staff aged over 50 years. The Board has made plans to address this through: -

- Encouraging departments to recruit at the entry-level and only for the skills that the County require to deliver and implement the CIDP.
- Implementing succession Management.
- Continue with the internship programme.

ROADS, TRANSPORT, PUBLIC WORKS, INFRASTRUCTURE AND ENERGY

Part A: Vision

A leading sector in sustainable land management and infrastructural development for prosperity.

Part B: Mission:

To implement an integrated framework for sustainable infrastructural development and management.

Part C. Performance Review including major achievements for the period and expenditure trends.

- Construction and civil works
- Road construction and improvement
- Installation and maintenance of street lighting and high-mast flood lighting
- Biogas Installation
- Bridges and culvert construction

Constraints and challenges in budget implementation and how they will be addressed in FY 2024/25.

- a) Low staffing levels for technical and professional personnel. This shall be addressed through employment of some technical and professional personnel.
- b) Delays in processing of tenders/quotations for projects, imprests, and payment of procured services. To be addressed through fast tracking procurement processes in the Department.
- c) Poor maintenance of constructed roads. This shall be mitigated through additional funds.
- d) Regular maintenance of streetlights and high mast flood lights in some areas delayed due to inadequate maintenance personnel and vehicles.
- e) Unreliable transport for officers supervising project due to inadequate supervisory vehicles.
- f) Long down time for equipment with mechanical problem. There shall be robust management/improvement of the county garage with additional mechanical personnel in the recruitment process.

Major services/outputs to be provided in MTEF period FY2024/25-2026/27 and the inputs required (the context within which the budget is required)

- Well maintained county roads
- Prompt and timely response to design, documentation, and supervision of civil works for other Departments
- Well, maintained public buildings/ offices
- Well maintained streetlights.
- Improved power connectivity to public institutions.
- Improve connectivity and accessibility by constructing
