INTRODUCTION

The citizen budget is a requirement of section 6 (2) of the Public Finance Management Act,2012 and the County Government Regulations,2015 which states that “the County Treasury shall arrange for effective public participation during development of their annual budget estimates including publication of citizens budget which shall explain and summarize the budget proposal.

A budget is a consultative policy document that interrogates the Government’s plans with the available resource envelop. The budget estimates for the Financial Year 2024/25 and Medium-Term Expenditure Framework (MTEF) have been prepared in compliance with the Constitution of Kenya,2010 and section 135 of the Public Finance Management Act, 2012.It has been prepared in line with CIDP 2023-2027, ADP FY 2024/25, CFSP FY 2024/25, National Budget Policy Statement,2024, County Allocation of Revenue Act,2024, Medium Term Plan (MTPIV) 2023-2027 and Bottom-up Economic Transformation Agenda.

The total budget estimates for FY 2024/25 is Ksh.8.75 Bilion which is a decrease of 2.6 percent from the approved budget Estimates of KSh8.98B in FY 2023/24. The County Government expects to receive Ksh 6.58B as equitable share and Ksh 1.37B as loans and conditional grants. In the FY 2024/25, the projected Own Source Revenue for the County is Ksh.800Milion and Appropriation in Aid of Ksh.838.6M

Further, in the FY 2024/25 the total expected expenditure is Ksh 8.75Billion comprising of Ksh 5.8 billion (66.9%) as recurrent expenditure and Ksh.2.9Billion (33.1%) as development expenditure.

The County Treasury shall continue to provide all necessary support to departments during implementation of the planned programs and enforce fiscal discipline ein line with the provisions of the Constitution of Kenya 2010, and its regulations 2015 together with enabling regulations.

GLOSSARY OF TERMS

ADP	Annual Development Plan. This is a document that sets out County Annual development priorities for the forthcoming year. It provides a platform for linking County development priorities in CIDP to the County Annual Budget estimates.
Approved Budget	It's a planning and controlling document for financial operation with both proposed expenditures and revenues for a given period of time, usually one year and which has been approved by the County Assembly in respect to the County Governments.
CBEF	County Budget and Economic Forum-It's a forum set up to coordinate and collect views from the public during the planning budgeting process and function as a think- tank for the County government in terms of financial and economic policy and management. The forum is established as per section 137 of the Public Finance Management Act 2012.
CBROP	County Budget Review and Outlook Paper-provides a review of economic and fiscal developments in the previous year, updated medium-term economic and financial forecasts since approval of the most recent County Fiscal Strategy Paper and indicative sector budget ceilings for the coming year.
CFSP	County Fiscal Strategy Paper -It's a government policy that outlines the county fiscal and budget framework by laying out strategic priorities and fiscal policy – that is what the county plans to do regarding revenue, expenditure and debt management over the medium-term. This is provided in section 117 of the PFM Act 2012.
CIDP	County Integrated Development Plan-It is the core five-year development plan that integrates the long-term spatial, sector and urban plans with inputs from the Governor's manifesto, national government plans and programs, past county development performance and the views and expectations of other development actors and the public at large
FY	The fiscal/financial year is the government's 12-month accounting period; it frequently does not coincide with the calendar year. The fiscal year is named after the calendar year in which it ends.
Grants	These are funds that the national government disburses directly to lower levels of government, corporations, non-profit organizations, and individuals. Some grants are given for specific purposes, requiring the recipients to meet certain conditions or requirements.
MTEF	Medium Term Expenditure Framework-This is a Policy document that sets out the Government's 3-year spending plan taking cognizance of the social and economic priorities.

PBB	Programme Based Budget-is an approach to budgeting that focuses on the outcomes and impacts of government programs rather than just allocating resources to departments and activities
PFM	Public Financial Management- This is a set of rules, policies, and processes that govern the use of public funds, from revenue collection to monitoring of public expenditures. The County Governments are guided by the Public Finance Management Act 2012 and its regulation of 2015.
