COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

1. FORWARD BY THE CEC

A county government shall be responsible for any function assigned to it under the Constitution or by an Act of Parliament. This is achieved through coordinating and enhancing participation in governance of communities at the local level especially in the wards and sub counties. The communities will be empowered to develop administrative capacity for effective exercise of functions and powers of governance.

This financial statement is prepared in accordance with Section 163, 164, and 165 of the Public Finance Management Act, 2012. The sections of the PFM listed above require all County Governments through their respective county treasuries to prepare financial statements at the end of every quarter and end of each financial year.

Preparation of these statements is in accordance with the guidelines, standard, and format prescribed by the Public Sector Accounting Standard Board. The financial statements provide a true and fair view of the financial position of the county as at 30th June 2021.

In the fiscal year 2020/2021, the total County budget was Kshs 9,098,018,004 from this amount, Kshs. 5,899,438,369.00 was allocated for recurrent expenditure while Kshs 3,198,579,635 was set aside for development projects. The funding of this budget was expected from Equitable Share, Local Revenue, Conditional Grants, Donor Funds, and Transfers from other Government Entities & Agencies.

The cumulative local revenue collected as at the end of the financial year, amounted to Kshs. 886,940,830.83 while equitable share and conditional grants amounting to Kshs. 7,240,602,888.30 was received from the National Government. It's important to note that Nyeri County own source revenue collection had significantly improved by 34% from the previous financial year. This was due to an enabling business environment in the County.

Financial Management & Service Delivery:

The Department of Finance and Economic Planning adopted austerity measures to manage and control expenditure. This commitment resulted into major success for the County as it was possible to settle utility bills, pay staff salaries and witness remarkable progress on major projects. Some of the projects include the near to completion construction of a modern bus terminus in Nyeri Town, re-carpeting of various roads & increasing the number of street parking slots in Nyeri Town, construction of Narumoru Level IV Hospital in Kieni East Sub-County, ongoing construction of Kienjaro solar dam in Mugunda Ward, Kieni West Sub-County.

The ability to demonstrate results through the hard economic period won immense public support and confidence. It is important to note that the County Government of Nyeri under the leadership of H.E Governor Mutahi Kahiga has been praised for emerging third top best out of 47 counties during the recently released Kenya County Budget Transparency Survey 2020.

The County treasury will continue encouraging departments to be prudent in management and utilization of the allocated resources which are limited to fit all the competing needs. The County was keen on adding value for the money in the budget implementation and utilization of public funds. Therefore, focus was geared towards ensuring resources are continuously allocated to priority areas in line with the County's long-term development agenda.

Annual Report and Financial Statements
For the year ended June 30, 2021.

Effect of Covid-19 Pandemic:

During the year 2020, the Nation was hit by Covid-19 Pandemic. Containment Measures were put in place by the President to prevent widespread of the viral disease. These measures included closure of hotels and bars and regulation of working hours as was required by the curfew. This led to closure of businesses and layoff of many Kenyans which adversely affected the Country economically.

The pandemic and its aftermath affected revenue collection both at the Counties and the National levels. In Nyeri County, the revenue collected in FY 2020/2021 in comparison to the previous FY 2019/2020 considerably improved by 34%. This was due to the economic stimulus program by the county that included waivers and enforcement measures. The County government is keen on providing a business enabling environment by actively participating in Covid-19 sensitization campaigns and ensuring availability of vaccines. This has helped to boost confidence and bring back normalcy especially for the business community.

During the year under review, the County experienced financial challenges due to various factors among them a stalemate on the Division of Revenue Bill by the Senate. This standoff emanated from a disagreement on the amount of funds to be disbursed to Counties. This affected the disbursement of exchequer by the National Government influencing operations in the four quarters of the year. This was crowned by the April and May 2021 exchequers that were received at the end of June 2021. The June 2021 exchequer was received on 2nd July 2021; these funds were carried forward in County Revenue Fund (C.R.F) Account to financial year 2021/2022. The delayed disbursement of the exchequers had an adverse effect on the timeliness of service delivery in the County.

The County's absorption as per the budgetary allocation was 84.58% at the end of the financial year 2020/2021. The County Treasury will continue encouraging departments to be prudent in management and utilization of the allocated resources which are limited to fit all the competing needs. The County is keen to add value for money in the budget implementation and utilization of public funds. Focus will, therefore, be geared towards ensuring resources are continuously allocated to priority areas in line with the County's long-term development agenda.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

The table below illustrates revenue performance during the financial year.

Table 1: Exchequer Releases from the National Treasury and transfers from other Government Agencies during the Financial Year 2020/2021.

	Revenue Source	Revised Approved Budget as per CARA - 2020	Actual Disbursements as at 30 th June 2021	Percentage (%)

	Kshs.	Kshs.	Kshs.	
Local Revenue Collection	1,000,000,000	886,940,831	656,628,152.63	35%

The County managed to collect Kshs. 886,940,831 compared to Kshs. 656,628,152.63 collected during previous financial year 2019/2020.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

Budget Performance:

By the end of the financial year, the County overall budget absorption rate was at 84.58% with Recurrent at 94.45% and Development at 68.28%. The combined recurrent and development percentage was calculated against cumulative expenditure as at 30th June 2021 over total allocation for the year. The County Treasury was keen in streamlining its processes for optimal utilization of allocated funds as budgeted despite the effect of Covid-19 which affected development budget performance.

Table 4: Recurrent Budget Performance

Recurrent Expenditure Budget Performance by Departments for FY 2020/2021

Nyeri County Projects:

The County government has taken great strides towards the improvement of people's livelihoods and the realization of the President's Big 4 Agenda. In addition to the Big 4 Agenda of Affordable Healthcare, Food Security, Affordable Housing and Manufacturing, County Government of Nyeri has come up with three additional pillars namely; Transport through road networks, Youth Empowerment through annual internship programs and Entrepreneurship through enterprise development fund, to form the Governor's Big 7 Agenda. Nyeri County Government continues to work hard towards the achievement of these objectives and the satisfaction of residents, investors, tourists and all stake holders in general.

1) Health Services:

The County Government of Nyeri has gone beyond its call of duty to ensure Nyeri residents enjoy improved access to both preventive and curative health services that are easily accessible and affordable. To this end, the County allocates over **30%** of the entire County budget to health services every financial year. As a result, the County has been able to provide ambulances to cater for emergencies all over the county especially in the current Covid-19 period, equipped the health facilities through provision of medicine, equipment and personnel among others to enhance service delivery.

In the financial year 2020/21, the County under the Kenya Devolution Support Programme (KDSP Level II) had an ongoing construction of Narumoru Level IV hospital with bills of quantity of at 80% completion. The project has a bed capacity of 175 and at a cost of over Kshs. 300 Million. At Mt. Kenya hospital there is an ongoing installation of sanitary fittings, plumbing, drainage, solar water heating system and fire protection service. Renovations are ongoing at Karatina Hospital Mortuary and theatre, as well as construction of a Diabetic Clinic at the Nyeri County Referral Hospital. In addition, there are also

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

renovations done at Bellevue Dispensary, Gatiko Dispensary, Thunguma Dispensary, Gaikuyu Dispensary, Thaithi Health Centre, Mbiriri Dispensary, Kangurwe Dispensary, Iruri Dispensary, Othaya Sub-County Hospital, Wamagana Health Centre, Gitathini Dispensary, Karaba Health Centre and Zaina Dispensary. The County Government also procured and distributed medical drugs and other medical supplies worth more than Kshs. 291M.

Below is the ongoing Narumoru Level IV Hospital project:

The Hospital is aimed at serving the larger Kieni Constituency in Nyeri County.

2) Lighting Projects:

The County Government of Nyeri's plan to transform the County into a 24-hour economy has been realized after the County Government installed street lighting in various towns and trading centers of the county to improve business environment and security in the region.

The County Government installed streetlights and continues maintaining the existing high mast flood and street lights. The streetlights were erected at a cost of Ksh. 64,650,768.

The lighting has created convenience to late night traders by extending their working hours, and also helped reduce insecurity in the region.

In promotion of alternative and renewable sources of energy; a total of 8 biogas systems were constructed and more will be constructed in the coming financial years.

Below, is a photo showing the streetlights in some trading centers.

Street lights at Iria-ini Ward in Othaya Sub County

3) Roads & other infrastructures:

The County Government has continued to upgrade and maintain the existing road networks in all the 30 wards. During this financial year gravel roads were upgraded to tarmac standards. In addition, a total of 393Km of roads have been graded and gravelled, 3 foot bridges and 9 Box culverts constructed to ease movement of farm produce and delivery of essential services to the citizenry. The County Government has further opened up 17 new roads and maintained 643 Kms of gravel/earth roads through grading.

In order to improve on security and increase the hours of doing business, the County Government has continued in installation of street lights in our trading and market centers across all the wards. During the FY2020/2021, 485 Street Lights (Approx. 19.40km) and 152 flood lights across the County were installed in various centers. This is largely attributed to the approach of focusing on the wards as centers of development.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

Below, are some of the photos of the road works project.

Gitegi – Kamweiga box culvert near Nyaribo township at Kiganjo/ Mathari ward, Nyeri Central sub-county is now complete.

Chieni-Grogon Road

Kianda Road

Ha-Kamune Chinga Bridge

Riagitutu Bridge – Gikondi Ward

Nyeri Town Bus Terminus:

During FY 2020/2021, the County Government of Nyeri in partnership with the World Bank continued with Phase 2 of the construction of Nyeri Town Main Transport Terminus at the Asian Quarters which is at 100% done on the main work, cluster 1 95%, cluster 2 99% done and rehabilitation of roads at 100%. The new bus park will be among the largest termini hub in the country. The project will help decongest the Nyeri Town Central Business District (CBD), create a healthy working environment for the transport industry and small scale businesses and increase service delivery to the citizenry.

The Lands Department has also continued with planning of colonial villages where 13 of them were planned through the County Government support while 5 were supported by Kenya Urban Support Program (KUSP). The County also acquired GIS equipment to facilitate data collection and capture for purpose of establishing a County land information system.

Below, is the ongoing flagship project – Nyeri Town Bus Terminus

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

Nyeri Town New Bus Termini

Upgrading and tarmacking of access roads to the Nyeri Town Bus Termini

4) Education:

The ECDE (Nursery schools) and youth polytechnics are functions of the County Government. Nyeri County has made remarkable progress in these sectors. The department has disbursed bursary to 10,066 students through the Elimu Fund. Other projects include construction and rehabilitation of 23 ECDE Centre's, provision of teaching and learning materials to ECDE Centre's County wide, disbursed grants totaling 48 Million Shillings to Vocational Training Centers (VTCs) to fund tuition where 2061 students have benefited, maintained partnership with Techno-serve through automation in VTCS and CAP-YEI in training youth on entrepreneurship, life skill, mentorship, work preparedness and job placement, draft policies for Youth Polytechnics for Research and Development, Capacity building workshops of newly appointed BOG Members during inauguration, and rehabilitation of 4 Stadiums across the County.

The County Government has undertaken construction of a workshop at Mutonga Youth Polytechnic, construction of a boundary wall at Ruring'u stadium as well as fencing and erection of a gate at Ihururu playground. Further, the county government has continued to equip our ECDE centres and Youth polytechnics with the necessary equipment to ensure smooth learning.

Classrooms have been constructed at Hiriga ECDE Center in Ruguru ward, Mathira West Sub-County.

5) Agriculture and food security:

The County Government has continued to support the agricultural sector since over 85% of the population depend on it. This has enhanced agricultural production and as a result boosted overall rural development. To improve coffee production, the County Government procured 10.9 tons of Mycorrhizae Bio fertilizer and 12,307 bags of Agricultural lime aimed at improving soil health and thus boost coffee production. Under the ward specific programme, the County Government procured 250 tons of organic manure and 25,000 coffee seedlings for the farmers in Kirimukuyu Ward.

Further on dairy farming, the County Government procured a milk pasteurizer and constructed a milk cooler house at Kairuthi Dairy in Iria-ini ward. To reduce milk spoilage during transportation handling the County Government procured and distributed 25 fifty liters' milk cans in Mweiga ward. This will not only increase the value to our milk but also create employment in the rural areas. The County Government has also installed new milk coolers at Watuka Cooperative Society and Ruguru Dairy to help in milk preservation for farmers, as illustrated by the diagram below;

Boosting food security through enhancing dairy farming

Milk cooling machine in Kairuthi, Iriani ward, Othaya Sub-County.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

During the financial year the County Government procured semen, Liquid nitrogen, AI equipment with a target to serve 16,000 dairy cows. Further, to control livestock diseases, the County Government procured vaccines targeting to vaccinate over 70,000 animals against notifiable diseases. This initiative will improve the animal health thus increasing production.

To promote alternative sources of food and nutrition, the County Government has continued to invest in fish farming where 167 fish farmers have benefited with 167,000 fingerlings and fish feeds. Further, to contribute towards the County Greening Program, a fruit tree nursery was established at Wambugu ATC with a capacity of over 100,000 grafted avocado and grafted macadamia seedlings with the aim of providing quality seedlings to the farmers.

The county government has developed strategic future plans for the fish industry in the county including:

- To increase the annual fish production.
- To reduce fish post-harvest losses by promoting fish value addition.
- To increase the value of marketed fish from the County by encouraging fish processing, packaging and branding.
- To privatize Wamagana Fish Processing plant through public- private partnership by promoting private investment in the fisheries sector.
- To ensure that the county has an operational and authenticated hatchery.
- To develop a quality assurance structure for ensuring that fish feed available within the county are of good quality.
- To develop a policy framework that will promote investments in the fish industry and create a conducive environment to fish traders, input suppliers and fish farmers.

During the financial year, the County Government, through the Kenya Climate Smart Agriculture Project (KCSAP), achieved the following;

- a) Upgrading and Rehabilitation of Thiha /Sagana Irrigation Scheme in Mukurwe-ini Central at a cost of Kshs. 31M
- b) Desilting & Construction of Kiria Earth Dam, Storage Tank, Solar System and Distribution System for Irrigation Project in Gatarakwa ward at a cost of Kshs 32.9M
- c) Construction of Lusoi dam Phase 2 in Thegu ward at a cost of Kshs. 11M
- d) Funding of 94 groups in dairy farming, Indigenous Chicken, Irish potato, bananas, beans value chains and environment conservation at a cost of Kshs 80.9M within the project area
- e) Funding of Mwikuria Grains farmer's cooperative at 1M, Mukeni poultry cooperative society 1M and Nyeri South Bananas producers' cooperative at 0.5M for promoting Bean value chain, Indigenous chicken Value chain and Banana Value chain respectively. These are County wide farmer's cooperative groups.
- f) Supported enterprise development grant for Kieni Dairy Products Limited at Kshs. 10M; Wakulima Dairy Ltd at Kshs. 20M; Sabeke Horticultural Cooperative Society (Kieni West and East) with a total of Kshs. 10M and Natural Ways Food Supplements in Mukurweini at a cost of Kshs. 3.7M.

Ongoing construction works on Lusoi dam

6) Environmental Conservation and Climate Change:

To promote environmental conservation, the County Government has planted over 100,000 trees with the aim of increasing the forest cover to above 42% in the county. Further, the County Government has facilitated formation and training of Community Forest Association. In furtherance of the campaign on mitigating the effects of climate change, the County Government marked the World Environment Day on the 8th of June 2021, at Nairutia Vocational Training Centre. During the event a total of 2,500 tree seedlings were planted and others donated to the community. The community was sensitized on environmental matters, as well as on the effects of climate change and the mitigating measures. The County Government has also installed 12 energy saving jikos in public schools. This is aimed at reducing over-reliance on wood fuel, a key driver of deforestation and environmental degradation.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

Observing the World Environment Day

7) Solid Waste Management:

In our endeavor to making our urban centers habitable, a total of approximately 29,000 tons of garbage has been collected during the financial year. One of the key challenges the County Government is facing is the acquisition of suitable land for management of solid waste and more so from Nyeri Municipality even after funds have been provided in the budget estimates. This poses a great risk on public health if not urgently addressed.

8) Lands, Housing, Physical Planning and Urban Development:

The County Government has continued to work together with other development partners to bridge the financing gap especially in provision of the much needed infrastructure. I am glad to report that, through the World Bank support under the Kenya Urban Support Programme (KUSP), the County Government undertook construction of a modern bus termini at Asian Quarters in Nyeri Town which entailed construction of roads, market stalls, ICT hub, Revenue office and a bus stage and is currently 99% complete. The project is expected to decongest Nyeri Town and provide the much needed employment opportunities.

The County Government, in collaboration with Kenya Informal Settlement Improvement Program (KISIP), has undertaken planning, survey and registration of various colonial villages in the county. Currently, over 650 titles are ready for issuance. A further thirteen (13) villages have undergone planning and survey through funding by the County Government. Currently the planning for Mukurweini and Naromoru is ongoing and is being funded by the World Bank.

9) Trade and Investment:

The County Government constructed several new markets and rehabilitated the existing ones across the county, these include Pakoni, Kiawara, Mihuti, Mweru, Gatitu, Kamakwa, Kiawarigi, Ihwagi, Endarasha, Soko Mjinga, Kiaruhiu, Mudavadi Chicken Market and Ex-Beer Hall stalls, which in totality is benefitting over 2,200 traders. The Nyeri county Enterprise Development fund has contributed to economic recovery through capital injection.

The fund has created employment through business expansion and technology acquisition, while asset financing has promoted self-employment. The fund has trained over 500 entrepreneurs with 102 of them benefitting from loans ranging from Kshs. 50,000 to 500,000. To date a total of Kshs. 32,954,150 has been disbursed and this is expected to spur rapid economic development in the county.

10) Water and Irrigation:

Solar powered Karicheni Borehole in Thegu River ward, Kieni East which has been constructed by the Department of Water and other partners is now operational. It is supplying water to hundreds of households in Gatuamba area.

Ongoing Mutoigu intake at Gura River in Aberdare forest

This intake will serve Mutoigu Irrigation Project in Wamagana ward in Tetu and Kagere -Kirai Irrigation project in Mahiga ward, Othaya. The intake is awaiting pipe distribution for both projects.

Mutoigu intake at Gura River

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

Construction of Simbara-Kamatongu Pipeline

Other ongoing projects in the department includes.

- Procurement and laying of Pipes and Fittings.
- Construction of water treatment works
- Drilling and equipping of boreholes
- Construction and procurement of storage tanks.
- Conducting environmental audits for operational county projects
- Installation of energy saving jikos in institutions
- Environmental awareness creation through celebration of environmental days
- Ongoing Rehabilitation of county forests
- Formulation of laws and policies on Forestry conservation and Climate Change.

Benefit to the Community:

- i.) The projects will reduce water rationing by a significant amount especially in areas adversely affected by drought,
- ii.) These water projects are expected to subsequently boost food production in the areas,
- iii.) Provide water for sanitation as well as irrigation.

Value-for-money achievements:

The County, during the financial year, endeavoured to adhere to the PFM Act 2012, the Public Procurement and Asset Disposal Act 2015, Revenue Administration Act 2014 and other relevant laws and regulations. In return, the County was able to work towards optimal service delivery and improved quality of life to the residents. This was attained through improved agricultural measures to enhance food security, re-carpeting and construction of roads which resulted to improved infrastructure, equipping of hospitals, providing drugs and non-pharmaceutical that boosted affordable healthcare, youth empowerment by engaging interns for an on-job training on their areas of study and expertise and fostering entrepreneurship through the Enterprise Development Fund that provided loans as per set criteria for small business owners. These among other projects resulted to the realization of set objectives.

The County's achievement on the value for money was heightened through public participation where citizens identified key projects for implementation.

Challenges and recommended way forward:

During the reporting period, the challenges encountered were;

- i.) Late disbursements of funds from the exchequer,
- ii.) Pending bills due to late disbursement of funds.
- iii.) Effects of Covid – 19 pandemic on the economy including but not limited to regulation of working hours for the hospitality industry as per the curfew requirement

The way forward to counter the challenges;

The National Treasury should ensure timely release of funds from the exchequer to counter rise of pending bills and unpaid commitments.

The County remains committed to ensure that the available resources are directed to the priority areas to ensure optimal utilization for maximum benefit to the people of Nyeri. However, despite the economic hardships, especially posed by the COVID-19 pandemic, the County Government is confident in achieving its desired development agenda.

Key risk management strategies applied by the County

The County has developed and approved the Risk Management Policy framework. The County is also keen in facilitating the following strategies;

- Capacity building of staff,
- Awareness campaigns through public participation,
- Compliance with the objectives of CIDP and ADP,
- Functional internal controls,
- Use of automated management information systems,
- Continuous monitoring and evaluation of projects.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

1. STATEMENT OF PERFORMANCE AGAINST COUNTY PREDETERMINED OBJECTIVES

Introduction

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer when preparing financial statements of each County Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the County Government entity's performance against predetermined objectives.

Nyeri County Strategic development objectives

The County's 2018-2022 CIDP identified 8 key strategic development objectives. Broadly, these objectives were identified through a participatory process that reviewed the development priorities of the Governor's Manifesto, the National Government's "Big Four", NIUPLAN, SDGs and the MTP III.

The strategic objectives are a synthesised product of the afore-mentioned planning frameworks that amalgamate the thematic focus and development aspirations in these policy frameworks.

The key development objectives of the Nyeri County's 2018-2022 CIDP are to:

- a) Provide quality physical infrastructure in the County,
- b) Enhance basic infrastructure for effective service delivery,
- c) Promote sustainable use of natural resources,
- d) Improve financial sustainability and resilience,
- e) Provide accessible and quality healthcare services,
- f) Scale up institutional development, transformation and innovation,
- g) Improve productivity in agriculture and overall food security, and
- h) Enhance good governance and active citizenry.

Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made Specific, Measurable, Achievable, Realistic and Time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement.

Annual Report and Financial Statements
For the year ended June 30, 2021.

Progress on attaining some of the stated objectives:

Department	Objective	Outcome	Indicator	Performance
Public Works, Roads & Transport	To develop and maintain roads and storm water drainage to global standards.	Increased efficient transportation of people, goods and services.	% of motorable and passable roads within the County	In FY 2020/21 the County increased 393 kms of motorable and passable roads in all wards.
	To develop and maintain street and security lighting infrastructure.	Increased public safety and security	% reduction of crime	Street lighting was undertaken in various towns & shopping centres and there has been a reduction in crime.
Health Services	To reduce incidences of preventable illnesses and mortality at the County level	Reduction of communicable diseases and related mortality and new infections	% reduction of communicable diseases related mortality	Good health and increased life expectancy
	To improve health status of the individual, household and the community at the County	Increased access to specialised curative diagnostic interventions	% increase of access to specialised diagnostic services	Good health and increased life expectancy
Water & Irrigation	Promote sustainable use of natural resources	Increased access to water for household & irrigation	% increase of access to water connections	Increased number of boreholes and new water connections.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

REPORTING

Introduction

Nyeri County Government exists to transform lives, i.e., 'to create and sustain an environment that unlocks potential of the people of Nyeri to achieve progressive socio-economic growth by running an open government. The driving force behind everything we do is our core values which include; Development, Accountability, Transparency, Patriotism, Professionalism, Inclusivity, Teamwork, and Integrity. The above values guide us to deliver our strategy, which is founded on three pillars: putting the customer/Citizen first, delivering quality services and improving operational excellence.

Below is a brief highlight of some of our achievements in each pillar;

1. Environmental performance

The guiding principles for Environment and Sanitation Directorate is to create a sustainably managed, healthy and clean environment for the county citizenry, by promoting, conserving and protecting the environment, and offering efficient sanitation services. Our main objective is managing and implementing environmentally friendly practices to ensure sound environmental stewardship and prudent natural resources exploitation while promoting prevention and/or minimization of waste/pollution. This is achieved by creating awareness and understanding on the importance of environmental obligation amongst our staff and the concerned public and at the same time monitoring compliance with all relevant environmental laws, standards and practices.

To conserve the environment and address issues of public health, the county is committed to effectively manage its liquid and solid waste. The Solid waste management bill, draft Environmental Policy, County Environment Action Plan, Climate change act, are some of the standards in the pipeline to enable the Directorate achieve its objectives. On climate change mitigation and adaptation, the directorate promotes county greening to move the current tree coverage from 38% to 40% by 2022. This will be achieved by partnering with the government, community and other relevant stakeholders in implementation of environmental programmes. The main shortcoming in the County greening endeavour and by extension climate change mitigation is lack of enough funding through the annual budgets for the last two years.

2. Employee welfare

Occupational Safety and Health Act, 2007

The County Government of Nyeri in realization of its vision of a wealthy county with happy, healthy and secure people has ensured that the workers have a conducive working environment. The County Government has a policy on training to ensure continuous upgrading of employee's core competencies, knowledge, skills and attitudes including their ability to assimilate technology to enable them create and seize opportunities for social advancement, economic growth and individual fulfillment. Specifically, induction/orientation training has been carried out to all the newly recruited employees within their first three (3) months. Further, training has been conducted in case of deployment and change of job at the cost of the employer.

Protective gear and clothing/uniforms are always provided to officers whose duty require protection or proper identification e.g. nurses, enforcement officers, fire officers, e.tc. as required by the

regulations. Also, Nyeri County has an open door policy in reporting any accident(s) in the course of duty which in return is taken up by the relevant offices.

3. Community Engagements

The emerging incidences on disasters have been timely reported and responded to and the county has also secured a toll free line for disaster management.

In the department of Transport, Public works, Infrastructure and Energy, the County has continuously been involved in disaster management and has in the financial year 2020/21 acquired 2 fire engines to curb raising incidents of fires. The officers in charge of the docket have been continuously trained to enable them in service delivery. Also, the County Government of Nyeri in partnership with the National Authority for the Campaign against Alcohol and Drug Abuse (NACADA) constructed the Ihururu Treatment and Rehabilitation Centre in Tetu Sub-County. The centre is meant to complement the rehabilitative and treatment efforts against drug and substance abuse currently being offered at Karia Rehabilitation Centre.

The hall at Gatitu /Muruguru ward in Nyeri Central sub county has a capacity of 500 people

4. Market place practices-

a) Responsible competition practice.

The Department contributes significantly towards promotion of responsible competition practices within the county by mapping out and developing designated market areas. These market areas and spaces consolidate traders in one location hence eliminating unfair competition that arises from some traders being more strategically located compared to others. Within the markets, the department also ensures fair competition among the traders by establishing market regulations to this effect. In addition, the department conducts mass sensitization on matters

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

related to peaceful and responsible political involvement, corruption and the adverse effects associated with the vice during market meetings. All traders are encouraged to report and stand up against corruption and political intolerance within markets. The open-door policy that the department operates on also encourages traders to report such cases.

b) Responsible Supply chain and supplier relations-

In regards to responsible supply chain and supplier relations, the department strives to ensure a free and fair procurement process, timely inspection of supplied goods, and completed works as well as judicious payments of goods and services.

c) Product stewardship

The Department, through the weights and measures unit has continued to safeguard consumer rights and interests by ensuring continuous verification of weights and measures equipment across the county as well as conducting consumer awareness trainings and campaigns in collaboration with other government agencies such as the competition authority of Kenya.

2. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY

Introduction

Nyeri County Government exists to transform lives, i.e., 'to create and sustain an environment that unlocks potential of the people of Nyeri to achieve progressive socio-economic growth by running an open government. The driving force behind everything we do is our core values which include; Development, Accountability, Transparency, Patriotism, Professionalism, Inclusivity, Teamwork, and Integrity. The above values guide us to deliver our strategy, which is founded on three pillars: putting the customer/Citizen first, delivering quality services and improving operational excellence.

Below is a brief highlight of some of our achievements in each pillar;

1. County Public Service Board

The Board adheres to the provisions of the Constitution of Kenya, County Government Act, 2012, Public Service Commission Act, Employment Act, and any other Act / law governing recruitment. In this consideration, recruitment is undertaken in a fair manner, ensuring that diversity, equity and gender ratio is observed. Further, the Board has formulated a Recruitment guideline that provides the standard norms to be observed in the recruitment process.

In the management of careers, the board observes the respective scheme of services that provide career guidelines for advancement of officers in the various cadres. Where there are no schemes of service, the board formulates to ensure that there is a clear progression framework for all cadres. Training is undertaken to enhance skills for the serving officers. There are mid and annual performance appraisals of staff, with an annual performance reward day set up in order to reward the best performing departments and staff.

On matters health and safety, the county adheres to the provisions of Occupational Health and Safety Act (OSHA).

2. Environmental performance

The County Government of Nyeri has been working hand in hand with key stakeholders- public institutions, private institutions, and communities- to ensure sustainable environmental management, natural resource management and improving the quality of life of communities and citizenry. In order to achieve this, the County has been able to carry out various activities as part of Corporate Social Responsibility:

1. County Greening Programme

a) Provision of tree seedlings to communities

Through the directorate of Agricultural Production and Directorate of Environment and Natural Resources, the County Government of Nyeri has been providing tree seedlings – exotic, indigenous and fruit - to communities during rainy seasons.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

This has enabled communities to improve area micro-climates especially in Kieni, improve food and nutrition from the fruit trees, provision of a source of cooking energy on farm which in turn reduces deforestation in public forest, provision of wood products, as well as increase the county's tree cover percentage which contributes to the national 10% target. For example, during the World Environmental Day which was held in Kieni East Sub county the surrounding communities were given six hundred tree seedlings for on farm forestry.

b) Tree planting in Institutions

In conjunction with other stakeholders, the County Government through the directorate of Environment and Natural resources has been planting trees in public institutions such as; Police stations, Chief Camps, Health facilities, Schools, Vocational Trainings and along riparian reserves, as a means to protecting the environment for the future generations of the Nyeri citizenry.

2. Environmental Awareness and Sensitization Program

a) Celebration of Environmental Days

Through the Directorate of Environment and Natural Resources, the County has been commemorating international environmental days. This has taken place in schools, vocational training institutions, and communities, as a means of enlightening and highlighting to the citizenry the need to protect, conserve and manage the environment. Nyerians are taught on sustainable environmental conservation and management methodologies depending on existing practices. For example, this year, the World Environmental Day was celebrated at Nairutia Vocational Training and World Desertification Day was celebrated at Luso Dam.

b) Clean Ups Campaigns

In collaboration with other stakeholders, the County Government of Nyeri through the Department of Solid Waste Management have held numerous clean-up activities in various urban centres in the County, as a means of sensitizing the people on sustainable and proper waste management practices such as use of provides for bins and skips instead of littering which in rainy seasons leads to drainage blockages etc.

3. Resource Management

a) Sustainable Waste Management

Through the Department of Solid Waste Management, organic waste collection programs have also been introduced in some markets such as Narumoru, where separation of waste is done, and the organic waste given out to various stakeholders for farm use. This has also engrained the 3Rs culture (Reduce, Reuse, and Recycle).

The County Government of Nyeri has encouraged its citizenry to embrace the 3Rs when it comes to waste management. It has done this by supporting various groups earn a livelihood from waste recycling. At one of the waste disposal sites - Karindundu, the County has provided space, water and PPE to the group on site to do separation and earn a living from the waste. In Nyeri town, two groups, the Turning Trash to Treasure and Nyeri Youth and Women Empowerment group were both allocated space (public land) to undertake their recycling programs, from which they can make briquettes, pellets, bricks among other things, from which they earn a living as well as improve the environment.

b) Provision of energy savings solutions

The County Government of Nyeri recognizes the overreliance of non-renewable and dirty energy in our communities. Through various directorates, the County Government has ensured that there is reduced reliance on electricity as a fuel through provision and equipping of community boreholes with solar panels, installation of energy saving jikos in institutions in the county as well as construction of biogas for various homesteads.

4. Environmental Safeguard Monitoring:

- a) The directorate of Environment and Natural Resources has been carrying out environmental screening of all ongoing projects across all the departments every financial year. Advice is given on whether a project requires an Environmental Impact Assessment or Environmental Social Management Plan and ensured

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

environment and social safeguards are adhered to throughout the project construction phase. This is done to ensure that the environment and the people surrounding any project have maximum positive impacts from any project and minimum negative impacts

- b) Environmental Audits are carried out in all ongoing projects to ensure continued adherence to environmental safeguards and standards. Where need be, institutions are trained on areas of improvement and improvement notices issued. The last financial year the directorate carried out Environmental Audits in Nyeri Town slaughter house, Karatina Level 4 Hospital, Karatina Market, Karatina Children's Home and Nyeri County Referral Hospital.
- c) The directorate of Environment and Natural Resources has been supporting communities and community groups in environmental management and planning in project management, in order to access funding from various donors by helping them in developing proposals, undertaking screening and subsequently EIAs, preparation of sub catchment management plans and participatory management plans for WRUAs and CFAs respectively and advising them on adherence to Environmental safeguards.

Shortcomings

- 1. **Financial constraints:** Limited resources that limit scope of service.
- 2. **Insufficient knowledge by communities on where responsibilities and roles lies in environmental management:** This has led to poor handling of environmental complaints that directly affect the communities.

3. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Sections 163,164 and 165 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the County Treasury shall prepare financial statements of each County Government entity, receiver of receipts and consolidated financial statements for all County Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The County Executive Committee (CEC) member for Finance and Economic planning of the County Government is responsible for the preparation and presentation of the County Executive's financial statements, which give a true and fair view of the state of affairs of the County Executive for and as at the end of the financial year ended on June 30, 2021. This responsibility includes: (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the county Executive; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of the county Executive; (v) Selecting and applying appropriate accounting policies; and (iv) Making accounting estimates that are reasonable in the circumstances.

The CEC member for finance accepts responsibility for the County Executive's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The CEC member for finance is of the opinion that the County Executive's financial statements give a true and fair view of the state of the County Executive's transactions during the financial year ended June 30, 2021, and of its financial position as at that date.

The CEC member for finance further confirms the completeness of the accounting records maintained for the County Executive which have been relied upon in the preparation of its financial statements as well as the adequacy of the systems of internal financial control.

The CEC member for finance confirms that the County Executive has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Executive's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for.

Further the CEC member for finance confirms that the County Executive's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

Approval of the financial statements

The County Executive's financial statements were approved and signed by the CEC member for finance on 17/12 2021.

REPORT OF THE AUDITOR-GENERAL ON COUNTY EXECUTIVE OF NYERI FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of County Executive of Nyeri set out on pages 1 to 88, which comprise the statement of assets and liabilities as at

30 June, 2021, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation: recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Executive of Nyeri as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the County Government Act, 2012.

Basis for Qualified Opinion

1.0 Receipts

1.1 Variances Between Exchequer Releases, IFMIS Records and Controller of Budget (COB) Records

Note 1 to the financial statements for the year under review reflects Kshs.6,306,344,117 in respect of exchequer receipts by the County Executive of Nyeri. However, the Integrated Financial Management Information System (IFMIS) records and Controller of Budget (COB) records on the same reflects an amount of Kshs.63,150,000 and Kshs.5,840,899,218 resulting to unexplained variances of Kshs.6,243,194,117 and Kshs.465,444,899 respectively.

In the circumstances, it has not been possible to confirm the accuracy and completeness of the exchequer receipts of Kshs.6,306,344,117 for the year ended 30 June, 2021.

2.0 Compensation of Employees

Note 11 to the financial statements reflects Kshs.3,620,664,500 in respect of compensation of employees. However, the analysis of Integrated Payroll and Personnel Database (IPPD) system monthly payrolls and the manual payrolls reflected a total of Kshs.3,340,827,913 resulting to unreconciled variance of Kshs.279,836,587.

In the circumstances, the accuracy of compensation of employees' figure of Kshs.3,620,664,500 for the year ended 30 June, 2021 could not be confirmed.

3.0 Transfers to Youth Polytechnics

The statement of receipts and payments for the year ended 30 June, 2021 reflects other grants and transfers totalling Kshs.692,205,939, which includes an amount of Kshs.28,130,495 transferred to youth polytechnics in the County. However, a review of the transfers revealed the following anomalies:

- i. During the financial year under review, the County received grants totalling to Kshs.48,949,894 from the Ministry of Education for development of youth polytechnics in the County, out of which the County transferred a total of Kshs.28,130,495 to youth polytechnics. The balance of Kshs.20,819,399 was not remitted to the institutions as intended.
- ii. The grant of Kshs.48,949,894 from the Ministry of Education for development of youth polytechnics was disbursed to the County Government as per letter DVET 3/77 Vol II (21) of 3 March, 2021 on condition that the County would match the contribution in the ratio of 1:1 as per the grant condition No.6(c). However, the County Government did not pay any amount to the youth polytechnics as required. No explanation was provided for the non-compliance with the conditions set for the grant.
- iii. Grant condition No.7(a) requires that a grant be disbursed to eligible Vocational Training Centres based on verified trainee enrolment data per Vocational Training Centre as submitted to the State Department for Vocational Technical Training by Council of Governors. No copy of verified trainee data was availed for audit.
- iv. Grant condition No.6(f) states that each county will be required to prepare annual technical reports in the agreed formats to the respective County Executive Committee Member in charge of Vocational Education and Training with a copy to the State Department for Vocational Technical and Training. The reports should cover number of new vocational training centres established in the county using the grant, number of workshops or hostels or classrooms constructed, number of trainees enrolled, retention, graduation, transition and completion rates. No such report has however been provided for audit.

Consequently, the accuracy, validity, completeness and application of the grant received totalling Kshs.48,949,894 could not be confirmed.

4.0 Fixed Assets

Annex 6- Summary of Fixed Assets Register reflects Kshs Kshs.4,218,101,225 being the historical cost of non-current assets carried forward. However, the following anomalies were noted;

4.1 Assets Excluded in the Register

A review of the fixed assets register revealed that one hundred and four (104) parcels of land of undetermined values owned by the County Executive were omitted in the register as detailed in **Appendix 1**.

Further, the following nine (9) land properties had no title deed or ownership certificates:

No	Land Identification (LR No. IR No. Cr No., Part Development Plans, Development Plan, Allotment Letter, Deed Plan, Lease Document, Registry Index Map)	Devolved Function	Exact Physical Location	Size (Ha)	Remarks
1	Chinga	Culture - Libraries	Chinga KNLS, P.O Box 522, Othaya, Othaya - Murang'a road 3Km from Kariki Junction, Next to Chinga Boys	-	No ownership documents

4.2 Fixed Assets Register

A review of the fixed assets register indicated that assets had not been tagged for ease of reference, identification and updating. In addition, various assets that include land, buildings, motor vehicles, furniture, plant, machinery and computers inherited from the defunct local authorities were not disclosed or valued.

In the circumstances, the accuracy and completeness of assets balance of Kshs.4,218,101,225 in the summary of fixed assets register as at 30 June, 2021 could not be confirmed.

5.0 Unsupported Pending Bills

Note 28 to the financial statements reflects a total of Kshs.106,432,693 for pending accounts payable out of which supporting documents for pending accounts payables of Kshs.13,883,688 were not provided for audit and hence were not supported.

In the circumstances, the validity and accuracy of the pending bills balance of Kshs.13,883,688 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the County Executive of Nyeri Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1.0 Late Release of Exchequer

Note 1 to the financial statements reflects Kshs.6,306,344,117 in respect to exchequer receipts by the County Executive of Nyeri out of which, an amount of Kshs.460,032,750 was received on 2 July, 2021. There is need for the National Treasury to prioritize disbursement of funds to the County Governments in time for effective and efficient service delivery to the Citizens of the Counties.

Consequently, the delayed Exchequer releases may have affected the County Executive's ability to implement its planned programmes and possible underutilization of the budget, resulting to a negative impact on service delivery to the Citizens of Nyeri County.

2.0 Budgetary Control and Performance

2.1 Revenue and Expenditure Budgets

Review of the summary statement of appropriation: recurrent and development combined reflects a total receipts budget of Kshs.9,098,018,005 against actual budget of Kshs.8,777,288,168 resulting in unrealized revenue collection amounting to Kshs.320,729,837 equivalent to 3.5 % of the budget.

Further the total payments budget amounted to Kshs.9,098,018,004 against actual payments of Kshs.7,774,322,855 resulting to under absorption of Kshs.1,323,695,149 or 14.5 % of the budget This is mainly attributable to acquisition of assets of Kshs.1,341,191,434 against a budget of Kshs.2,179,295,190, an under absorption of Kshs.838,103,756.

There is need therefore for the County Executive to have a proper budgeting mechanism with a view to utilizing the budget in full for better service delivery to the citizens of Nyeri County.

3.0 Projects Implementation Report

3.1 Projects Implementation Status

Analysis of projects implementation status report availed for audit revealed that three hundred and fifty-seven (357) projects worth Kshs.1,173,380,592 were completed and in use while one hundred and seventy-five (175) projects worth Kshs.625,536,296 were either ongoing, not started or stalled as tabulated in **Appendix 2**.

This is an indication of inappropriate project implementation mechanism as projects worth Kshs.625,536,296 had not reached a level beneficial to the County residents and there is need for the County Executive management to review their project planning mechanism with a view to prioritizing projects which will be implemented during the financial year resulting to higher impact in improving service delivery to the citizen of Nyeri County.

In the circumstances, the residents of Nyeri County did not get the expected value for money from the allocated and disbursed amount of Kshs.625,536,296.

3.2 Projects Physical Verification Report

During the year under review, a total of thirty-two (32) projects were sampled for verification. Out of the sampled projects, twenty-two (22) projects worth Kshs.133,742,626 were found to be complete and in use while ten (10) projects worth Kshs.20,355,704 were ongoing as detailed in **Appendix 3**. It was also noted that some of the ongoing projects had no budget allocation.

There is need therefore for the County Executive management to review its project planning process with a view of prioritizing projects which would be implemented during the financial year hence resulting to higher impact in improving service delivery to the citizens of Nyeri County.

Other Information

The Management is responsible for the other information, which comprise, the County Executive Information and Management, Forward by CECM Finance and Economic Planning, Statement of Performance against County Predetermined Objectives, Corporate Social Responsibility/Statement of Sustainability Reporting and Statement of Management Responsibilities. The other information does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance or conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 Non-compliance with National Social Security Fund (NSSF) Act

Note 11 to the financial statements reflects Kshs.3,620,664,500 in respect of compensation of employees out of which Kshs.3,227,388,439 is basic salaries of permanent employees which includes Kshs.5,808,000 being social security contributions that were not deducted and remitted as required by Section 6(1) of the National Social Security Fund (Member Contributions) Regulations (2014) which states that an employer shall pay contributions to the pension fund in respect of each employee in his or her employment as prescribed in Section 20 of the Act.

In the circumstances, the Management was in breach of the law.

2.0 Failure to Deduct and Remit Income Tax (PAYE)

Note 11 to the financial statements reflects Kshs.3,620,664,500 in respect of compensation of employees which includes Kshs.3,227,388,439 being basic salaries of permanent employees. In the year under review, the County Government deducted and remitted Kshs.586,027,346 to the Kenya Revenue Authority (KRA) as supported by Integrated Payroll and Personnel Database (IPPD) system. However, the following anomalies were noted;

- i) An amount of Kshs.4,500,853 that should have been deducted as PAYE was not deducted and remitted to KRA.
- ii) The tax deducted and remitted to KRA was Kshs.586,027,345. However, re-computation of the tax amounted to Kshs.593,796,516 giving rise to an unexplained variance of Kshs.7,769,171.
- iii) Scrutiny of the IPPD payroll revealed that one employee had a PIN number that did not conform with KRA PIN format. The employee earned a total sum of Kshs.1,599,753.30 for the 12 months in the year under review. Further, the officer was not deducted any statutory dues and hence earned gross salary throughout the year.

In view of the above, the County Government contravened the Income Tax Act Cap 470, Section 37(1) which states that 'An employer paying emoluments to an employee shall deduct therefrom, and account for tax thereon, to such extent and in such manner as may be prescribed'.

Consequently, the non-deduction and remittance of taxes expose the County Executive to the risk of non-compliance with the Kenya Revenue Authority and also loss of National Government revenue on taxes not deducted at source and remitted. In addition, the County Management was in breach of the law.

3.0 Unconfirmed KRA Tax Receipts

Note 11 to the financial statements reflects Kshs.3,620,664,500 in respect of compensation of employees, which includes Kshs.126,608,926 in respect of social security benefits paid as gratuity to LAPFUND for County executive employees out of which Kshs.5,466,159 related to taxes deducted for remittance to the Kenya Revenue Authority (KRA).

However, it was not possible to confirm whether the taxes were actually remitted to KRA because receipts from KRA were not availed for audit review contrary to Section 37(2) of the Income tax Act which states that (2) If an employer paying emoluments to an employee fails— (a) to deduct tax thereon; (b) to account for tax deducted thereon; or (c) to supply the Commissioner with a certificate provided by rules prescribing the certificate, the Commissioner may impose a penalty equal to twenty-five per cent of the amount of tax involved or ten thousand shillings whichever is greater, and the provisions of this Act relating to the collection and recovery of that tax shall also apply to the collection and recovery of the penalty as if it were tax due from the employer: Provided that, instead of the Commissioner imposing a penalty under this subsection, a prosecution may be instituted for an offence under Section 109(1)(j).

In the absence of confirmation of payment of taxes, the County Government may be penalized, fined or prosecuted for default in tax payment.

4.0 Basic Salary Deduction in Excess of a Third of Basic Pay

Examination of the IPPD Payroll revealed that there were employees whose net salaries were not in compliance with the one third rule (1/3) on basic pay. For instance, in the month of March, 2021, two hundred and thirty-four (234) officers earned net pay that was less than a third of their basic pay. This is contrary to Section C.1(3) of the Human Resource Policies and Procedures Manual for the Public Service 2015, which requires that public officers shall not over-commit their salaries beyond two thirds (2/3) of their basic salaries and Heads of Human Resource Units should ensure compliance.

Consequently, the County Executive was in breach of the law.

5.0 Retirees in Employment

Note 11 to the financial statements reflects Kshs.3,620,664,500 in respect of compensation of employees out of which Kshs 5,483,345 is for compensation of sixty-six (66) employees who had reached the mandatory retirement age of 60 years in IPPD payroll. This is contrary to the County Public Service Human Resource Manual 2013, section L.3(1) which states that all officers will be required to retire from the service on attaining the mandatory retirement age of 60 years.

In the circumstances, the Management was in breach of the law.

6.0 Excessive Wage Bill

Note 11 to the financial statements reflect Kshs.3,620,664,500 in respect of compensation of employees. However, this is about 41% of the total county revenue of Kshs.8,777,288,167 and which is above the required limit of 35% as per sub section (2) (c) of Section 107 of the Public Financial Management Act, 2012 and Section 25(a,b) of the Public Finance Management (County Governments) Regulations 2015 which provides that County Government wages and benefits shall not exceed 35 % of total county government revenue.

In the circumstances, the County Government was in breach of the law.

7.0 Staff Ethnic Diversity

Analysis of the staff complements data show that the staff of the Nyeri County Executive did not have a diverse array of the ethnic diversity of Kenya occupying the various posts with a dominant community accounting for 93% of the work force with 2,723 out of 2,934 employees. This is contrary to section 65(1)(e) of the County Governments Act, 2012 which requires County Governments to ensure that at least thirty percent of the vacant posts at entry level are filled by candidates who are not from the dominant ethnic community in the county.

In the circumstances, the County Executive was in breach of the law.

8.0 Un-surrendered Imprest

Note 22 to the financial statements reflects Kshs.7,654,200 in respect of accounts receivable-Government imprest, which was an increase by Kshs.1,983,169 from the previous balance of Kshs.5,671,031. However, the outstanding imprest had not been accounted for as at 30 June, 2021 contrary to the provisions of Regulation 93(5) of the Public Finance Management (County Governments) Regulations, 2015 which states that 'A holder of a temporary imprest shall account or sunder the imprest within seven (7) working days after returning to duty station'.

In the circumstances, the Management was in breach of the law.

9.0 Procurement of Motor Vehicle Repair Service

Note 12 to the financial statements reflects Kshs.1,291,903,950 in respect of use of goods and services. Included in this is Kshs.19,869,170 in respect of routine maintenance-motor vehicles and other transport equipment out of which Kshs.433,980 was paid to a service provider for the repair of motor vehicle KBY 199C. However, procurement details provided indicates that the service provider was single sourced and did not meet the conditions of direct procurement as set out in the Public Procurement and Asset Disposal Act, 2015 Section 103(2) which states that a procuring entity may use direct procurement if any of the following are satisfied; the goods ,works or services are available only from a particular supplier/contractor, or a particular supplier or contractor has exclusive rights in respect of the goods, works or services and no reasonable alternative exists.

Consequently, the Management was in breach of the law.

10.0 Procurement of Crank Hospital Beds.

Note 15 to the financial statements reflects Kshs.692,205,939 in respect to other grants and transfers which includes other capital grants and transfers of Kshs.545,209,145 out of which Kshs. 5,440,000 was paid to a supplier for 130 pieces of 2 crank hospital beds and 30 ripple mattresses. The following anomalies were noted with the procurement process;

- (i) The delivery of the items was on 17 March, 2021. An audit verification carried out on 3 November, 2021 and review of ledger cards availed for audit revealed that all the one hundred and thirty (130) pieces of 2 crank hospital beds were in their original packaging and none had been put to use.
- (ii) The hospital added an additional 50 crank hospital beds on 14 October, 2021 as per ledger cards provided without utilizing the previous procured beds. Further, ten (10) of the thirty (30) ripple mattresses costing a total of Kshs.800,000 were in store at the time of the audit.
- (iii) Although Management explained that the items were for the Narumoru Hospital which was awaiting completion, the contract signed or tender given did not specify whether the items were for the Narumoru hospital.
- (iv) In addition, another contract was awarded for the supply of 22 modular patient monitors with trolley. It was established that 2 (two) of the patient monitors costing Kshs.518,400 were still in store as at the time of the audit verification.

In the circumstances, it was not possible to ascertain if there was value for money on the procured items.

11.0 Procurement of Ventilators and Syringe Pump

Note 15 to the financial statements reflects Kshs.692,205,939 in respect to other grants and transfers which in turn includes other capital grants and transfers of

Kshs.545,209,145 out of which Kshs.7,350,000 was paid to a supplier for supply of three (3) ventilators and five (5) syringe pumps. The following anomalies were noted;

- (i) The delivery was done on 22 April, 2021. However, as per physical inspection carried out on 3 November, 2021, and ledger cards presented for audit, none of the ventilators had been put into use and the 3 ventilators were still in their original packaging,
- (ii) 2(two) syringe pumps costing a total of Kshs.180,000 had not been dispatched to the user department 7(seven) months after their delivery.
- (iii) The explanation given by management was that the items were for Narumoru Hospital which has not been completed. However, the contract signed or tender given did not specify whether the items were for the said hospital.

In the circumstances, it was not clear whether the procurement of the items was necessary or whether the value for money will be realized as the equipment could become obsolete if not put into use in due course.

12.0 Procurement for Rehabilitation of Civil Works

Note 17 to the financial statements reflects Kshs.1,341,191,434 in respect of acquisition of assets which includes Kshs.14,440,018 in respect of rehabilitation of civil works. In addition, the rehabilitation of civil works includes Kshs.6,840,868 paid to two contractors at Kshs.4,368,096 and Kshs.2,472,772 respectively.

However, the following anomalies were noted;

- i) Opening and evaluation tenders was done by the same committee contravening section 78(1)(a) of the Public Procurement and Assets Disposal Act ,2015 which requires that at least one of the members shall not be directly involved in the processing or evaluation of the tenders.
- ii) There were no Independent evaluators score sheet prepared by each of the committee as required by section 31.(1) of the Public Procurement and Asset Disposal Regulations, 2020. The section requires that each member of the evaluation committee shall evaluate independently from the other members prior to sharing his or her analysis questions and evaluation including his or her rating with the other members of the technical evaluation committee.
- iii) No notices were done to the unsuccessful bidders in contravention of section 87(3) of the Public Procurement and Assets Disposal Act, 2015 which requires that a person submitting the successful tender is notified under subsection (1), the accounting officer of the procuring entity shall also notify in writing all other persons submitting tenders that their tenders were not successful, disclosing the successful tenderer as appropriate and reasons thereof.
- iv) Procurement files presented for audit did not indicate the initials of the opening committee members on each page of the minutes as required by section 78(11)

of the Public Procurement and Assets Disposal Act, 2015 which states that to acknowledge that the minutes are true reflection of the proceedings held, each member of the tender opening committee shall (a) initial each page of the minutes.

In the circumstances, the Management was in breach of the law.

13.0 Acquisition of Assets

Note 17 to the financial statements reflects Kshs.1,341,191,434 for acquisition of assets which is 17% of the total actual expenditure of Kshs.7,774,322,856. This is contrary to section 25(1)(g) of the Public Finance Management (County Government) Regulations 2015 which provides that county government actual expenditure on development shall be at least 30% of the total County Government expenditure. This is pursuant to the requirements under section 107(2)(b) and 107(5) of the Public Finance Management Act, 2012.

In the circumstances, the Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are compliant, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

Revenue Collection

Note 9 to the financial statements reflects Kshs.886,940,831 in respect of county own generated revenue, which in turn includes Kshs.182,735,460 in respect of revenue collected from Public Health Facilities Operations (Hospitals). However, a review of the available documents revealed that there was late banking of revenue collected in Mukurweini Sub County Hospital. This is contrary to best practice on management of cash controls.

Consequently, delayed banking of revenue exposes the County to a high risk of spending at source, fraud and embezzlement.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the ability of the County Executive to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the County Government is aware of the intention to dissolve the County Executive of Nyeri or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are compliant with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the County Executive monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with

Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

13 May, 2022

APPENDICES

Appendix 1 – Parcels of land of undetermined Value Excluded from the Register

No	Devolved Function	Status (Developed/ Undeveloped)	Current Use/Name	Remarks
1	Health	Yes	Karatina DH	Exact physical location, development plan, size and fair value not identified
2	Health	Yes	Nyeri PGH	Exact physical location, development plan, size and fair value not identified

Appendix 3 -Projects Physical Verification Report

S/No	Project Name	Description of Activities	Approved Budget	Amount Spent	Audit Observation
1	Iruri Dispensary	Construction of building-dispensary Phase 1	5,000,000	2,431,870	As at the date of inspection 28 October, 2021 the project was not complete for phase 1. As per the BQ, element 3 on reinforced concrete super structure, element 4 on roofing, element 5 on windows, element 6 on doors, element 7 on external finishes, element 8 on internal finishes and element 9 on concrete worktops were not done . As per the contract agreement signed on 6 May, 2021, the contract period was for 90 days. However as at the day of inspection, which was approximately 60 days past the duration of the contract, the project was not complete.
2	Mbiriri Dispensary	Construction - dispensary phase 1	2,000,000	3,438,449	'The contract was tendered Kshs.1,919,812 above the budget while the contractor was paid Kshs.1,438,448 above the budgeted amount. on the day of project inspection 27 October, 2021, the following were noted as per the BQ Element No 8. on wall finishes, the 15mm Thick plaster to walls was not done amounting to Kshs.133,000. Element no 9. of the same BQ, the concrete worktops were not done amounting to 98,160.
3	Gitathiini Dispensary	Construction - dispensary phase 1	2,000,000	3,196,148	The contract was awarded Kshs.2,968,396 above budget while the contractor was paid Kshs.1,196,148 above the budget.
4	Ndimaini Dispensary	Renovation and equipping of maternity block	3,199,195	2,087,339	The facility though complete, is not in use and hence an idle asset for the county executive department of health.
5	Construction of kitchen in Othaya sub-	Construction of buildings-kitchen		1,111,300	There was no approved line budget for the expenditure. The facility was not in use as at the day of inspection on 28 October, 2021.

S/No	Project Name	Description of Activities	Approved Budget	Amount Spent	Audit Observation
	county hospital				
6	Construction of ground mounted sub-station	Construction - sub-station	-	794,530	There was no approved line budget for the expenditure in the 2020-2021 financial year. Scrutiny of documents provided revealed that the county executive engaged the contractor on the 14 April, 2021 for the project. Though, complete and in use, county government did not disclose the outstanding amount of Kshs.2,694,389 in the financial statement as payables.
7	Mbiriri ECDE centre	Construction -classroom	1,500,000	1,740,185	From scrutiny of procurement documents provided, the tender opening and tender evaluation were done by the same committee members. The professional opinion dated 22 April, 2021 was issued before the quotations dated May 2021 were done. In the quotation submitted by the winning bidder, it shows he/she received the BQ and filled and signed on 20 April, 2021. In addition, the LPO attached was dated 23 April, 2021 and was issued to the contractor. There was no evidence of formal contractual agreement provided. Therefore, it is quite evident that the procurement process was skewed. The project was over budget by Kshs.240,185.
8	Kaguongo ECDE centre	Construction of classroom	1,000,000	1,515,685	The project was Ksh.515,685 above the approved budget. The committee for tender opening and tender evaluation were the same members. The minutes were not dated. There was no evidence of a formal contract between the county executive and the contractor.

S/No	Project Name	Description of Activities	Approved Budget	Amount Spent	Audit Observation
9	Kaigonde ECDE centre	Construction of 2 Classrooms	2,400,000	2,530,586	The tender opening and evaluation committee members were the same. The minutes were not dated. The project was Ksh.130,586 above the approved budget.
10	Kimahuri ECDE	Construction of one classroom block	1,500,000	1,509,612	The tender opening and evaluation committee members were the same. The minutes were not dated.
	Sub Total		35,845,953	20,355,704

5.8. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The receivables and payables are disclosed in the Statement of Assets and Liabilities.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the County Executive all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The financial statements are for the County Government of Nyeri County Executive. The financial statements encompass the reporting entity as specified under section 164 of the PFM Act 2012.

3. Recognition of receipts and payments

a) Recognition of receipts

The County Executive recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Executive.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Tax receipts

Tax Receipts is recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received.

ii) Transfers from the Exchequer

Transfer from Exchequer is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving Executive

iii) External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Donations and grants

Grants and donations shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the Executive or by the beneficiary. In case of grant/donation in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice.

Proceeds from borrowing

Borrowing includes Treasury bill, treasury bonds, corporate bonds; sovereign bonds and external loans acquired by the County Executive or any other debt the County Executive may take on will be treated on cash basis and recognized as receipts during the year of receipt.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Undrawn external assistance

These are loans and grants at reporting date as specified in a binding agreement and relate to funding for projects currently under development where conditions have been satisfied or their ongoing satisfaction is highly likely and the project is anticipated to continue to completion. During the year ended 30th June 2021, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans. The amount of undrawn external assistance for the year is detailed in the notes to the financial statements.

iv) County Own Generated Receipts

These include Appropriation-in-Aid and relates to receipts such as trade licences, cess, fees, property income among others generated by the County Government from its citizenry. These are recognised in the financial statements the time associated cash is received.

v) Returns to CRF Issues

These relate to unspent balances in the development, recurrent and deposit accounts at the end of the year which are returned to the County Revenue Fund (CRF) and appropriated through a supplementary budget to enable the County to spend funds. These funds are recognised once appropriated through a supplementary budget process.

b) Recognition of payments

The County Executive recognises all expenses when the event occurs and the related cash has actually been paid out.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

ii) Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

iii) Interest on borrowing

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

iv) Repayment of borrowing (principal amount)

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made. The stock of debt is disclosed as an annexure to the County consolidated financial statements.

v) Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment. A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. In-kind contributions

In-kind contributions are donations that are made to the County Executive in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the County Executive includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

a) Third Party Payments

This relates to payments done directly to supplier on behalf of the county Executive s such as; national government may fund the operation of health or education program, a donor may pay directly for construction of a given market etc. Details of payments by third parties on behalf of the county Executive is detailed in the notes to this financial statement.

5. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

a) Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th June 2021, this amounted to Kshs 211,249,046 Compared to Kshs 160,187,791.90 in prior period as indicated on note 23

(There were no other restrictions on cash during the year)

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

7. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

8. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the County Executive's fixed asset register a summary of which is provided as a memorandum to these financial statements.

9. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the County Executive at the end of the year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Pending bills form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

10. Contingent Liabilities

Section 185 (2) (i) of the PFM Act requires the County Government to report on the payments made, or losses incurred, by the county government to meet contingent liabilities as a result of loans during the financial year, including payments made in respect of loan write-offs or waiver of interest on loans

A contingent liability is:

- a) A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) A present obligation that arises from past events but is not recognised because:
 - i) It is not probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.

Some of contingent liabilities may arise from: litigation in progress, guarantees, indemnities, Letters of comfort/ support, insurance, Public Private Partnerships. The County Executive does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

11. Contingent Assets

The County Executive does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the County Executive in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

12. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The County Executive's budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly on 24th June 2020 for the period 1st July 2020 to 30 June 2021 as required by law. There was 2 number of supplementary budgets passed in the year. A high-level assessment of the County Executive's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

13. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

14. Subsequent events

Events subsequent to submission of the financial year end financial statements to the National Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of National Treasury.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

15. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

16. Related party transactions

Related party transactions involve cash and in-kind transactions with the National Government, National Government entities and County Government entities. Specific information with regards to related party transactions is included in the disclosure notes.

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

5.11. PROGRESS ON FOLLOW UP ON PRIOR YEAR AUDITOR'S RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor.

S.No	Issue/Observation from Auditor	Nyeri County's Comment	FOCAL POINT TO SOLVE THE ISSUE	STATUS	TIME-FRAME
1.	Unconfirmed salary expenditure	This was contributed by non-IPPD, salary arrears, pension contribution by employers and casual employees	Nancy Gatei	Pending senate	Pending senate
2.	(i) Unsupported transfers to Youth Polytechnics.	The transfer was received and acknowledgement letters and receipts issued.	Simon Wachira	Pending senate	Pending senate
	(ii) Expenditure returns were not availed	The procurement of goods and services was done at vocational training centers	Simon Wachira	Pending senate	Pending senate
	(iii) No requisition /Bills of Quantity from the polytechnics	The requisitions and the BQs are the major guiding documents used when it comes to disbursement of the grant for development.	Simon Wachira	Pending senate	Pending senate
3.	Unconfirmed valuation of assets	The figure in the financial statement is for the assets that were procured in the FY under review. However, the County Government maintains an asset register in Excel format for the assets that it has procured since devolution.	Eunice Mwangi	Pending senate	Pending senate
4.	Unconfirmed Pending Bills	The amount of Kshs. 4,895,072 formed the first charge items of the financial year 2019/20. This was occasioned by merchants having problems with the respective banks	Beatrice Muturi	Pending senate	Pending senate
		The figure of Kshs. 56,791,459 that was declared as pending bills can now be confirmed as paid per the supplier schedule indicating the date each was paid.			
5.	Unconfirmed imprest expenditure on training of County Health Management team	All the imprest was cleared on various dates. Copies of the surrender vouchers are available for review.	Newton Wambugu	Pending senate	Pending senate
6.	Unconfirmed Revenue Collections			Pending senate	Pending senate
6.1	Unsurrendered receipt books totaling Kshs. 5,748,000.	All the books in question have since been surrendered for clearance with an amount of Kshs. 5,957,000 accounted for.	Rehema Salim	Pending senate	Pending senate

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

6.2	Irregular Hospital fee waiver criteria	The County Government of Nyeri follows the Nyeri County Tax Waiver Administration Act, 2015.	Newton Wambugu	Pending senate	Pending senate
8.	Non-disclosure of arrears of revenue	The County Government of Nyeri uses cash basis to prepare the financial statements as per the Public Sector Accounting Standard Board.	Rehema Salim	Pending senate	Pending senate
9.	Undelivered vaccine supplies	The county does not have appropriate storage facilities to preserve them for a long time hence the storage at KEVEVAPI is necessary.	Ruth Mwangi	Pending senate	Pending senate
10.	Unsupported expenditure on supply of fish cages	In the FY 2018/19 the department up scaled the cage fish farming which is a new technology of rearing fish in cages. This involved intensive rearing of fish. The department identified five public dams for cage fish farming and installed a total of 35 cages.	Ruth Mwangi	Pending senate	Pending senate
11.	Unsupported supply of drugs and non-pharmaceutical items	The County Government of Nyeri procured Pharmaceuticals and Non-Pharmaceuticals, X-Ray materials, Laboratory materials, Dental supplies and small equipment's worth Kshs. 56, 428,005.90. On Framework Contract with Meds, the Health Sector Function Assignment and Transfer Policy Paper of 2013, from the Ministry of Health identified Meds as the fall back Supplier where KEMSA is not able to supply Pharmaceuticals and Non Pharmaceuticals before going to the open market. The County Government of Nyeri ordered for Pharmaceuticals and Non-Pharmaceuticals worth Kshs. 21,828,733.00. However, Meds supplied Pharmaceuticals and Non-Pharmaceuticals worth 18,724,985.80. The difference of Kshs 4,288,538.00 relates to supply of various Pharmaceuticals and Non-Pharmaceuticals supplied to various health facilities.	Newton Wambugu	Pending senate	Pending senate
	<u>Other Matters</u>				

Annual Report and Financial Statements
For the year ended June 30, 2021.

1.	Under-absorption of funds and low development vote spending	During the period under review the County Government approved budget estimates was Kshs. 8,836,544,071. The allocation for development was 32.37. The actual development expenditure as a percentage of the total county expenditure for the period was 26 percent. The County Government was adversely affected by the delay in release of funds from the National Treasury which led to slow absorption and implementation of the planned activities for the period	Stephen Mwai	Pending senate	Pending senate
	<u>Basis for Conclusion</u>			Pending senate	Pending senate
1.	Ineffective Management of revenue Collections			Pending senate	Pending senate
1.1	Shortfall in County Own Generated revenue	During the FY 2018/2019, the County Government procured and launched a new revenue collection and management system "NyeriPay" which is projected to automate all revenue collections. The system has made it possible to make direct payments to the banks or M-Pesa platform. Once the system is fully implemented, it is expected to reduce the risk of possible revenue leakages especially in the field. The system has created a platform where one can tell how much has been collected from any revenue stream at the click of a button which was a step forward in collecting Kshs. 837,394,937.10 by the end of the financial year 2018/2019, an increase of 10.16% and cumulatively 30.20% increase from FY 2016/2017. For the financial year 2020/21 the county collected a total of Kshs. 886,892,734.00; the highest revenue collection the county has ever recorded, despite the Covid-19 pandemic effects. This gradual increase is a reflection of the efforts and effective measures being put in place to seal revenue leakages as well as identify new revenue streams	Rehema Salim	Pending senate	Pending senate
1.2	Delayed banking of revenue in hospitals	i. At Karatina Hospital	Rehema Salim	Pending senate	Pending senate

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

		The KCB bank being the receiving bank for all revenue collected in the health department extended additional service to Mtaani Agent for the County Government of Nyeri with the aim of reducing cash handling in hospitals. In our quest to improve efficiency and reduce cash handling, the management decided to allow them (KCB) to bring services closer to the clients unlike the general practice where a customer is required to visit the bank and bring the banking slip for receipting.			
		In consideration of the sensitivity of the hospital services, it was decided to pilot with Karatina hospital to establish whether the same could be replicated to other hospitals.			
		Some of the benefits to the county were that there was no liability of any loss that could have occurred through the agent rather it was to our patients' advantage getting service conveniently. Further, the amount paid was reflecting in the county health account in real-time. It also saved the county the cost of hiring cash on transit services.			
		However, we noted that the KCB Mtaani agent never reported the collections on daily basis and this prompted a delay in banking. This has since been corrected by introduction of M-pesa services which has reduced the cases of cash handling and enhanced instant banking.			
		ii. Mt. Kenya, Mukurweinin, Othaya & Nyeri Referral Hospital			
		Money collected from Friday to Sunday midnight are always banked the following Monday because on weekends, officers do not come to work apart from cashiers. Also, daily collections are always banked the following day because the hospital operates 24 hours where shifts in the system close at midnight, thus not possible to bank on the same day. Also, when there is a national holiday, money collected is banked on the following working day. The hospital always ensures that money collected on Friday up to 5pm is put in a safe for security.			

Annual Report and Financial Statements
For the year ended June 30, 2021.

2.	Compensation of employees:	On the issue of compensation of employees, the County Government of Nyeri inherited all defunct local authority employees (564 No.) and those falling under the devolved functions (2,425 No.) from the national government mainly working under the former central province headquarters and Nyeri County itself.		Pending senate	Pending senate
	2.1 High wage bill	There was the issue of the salaries increment for the medical staff as per the negotiated Collective Bargain Agreement which was done nationally thereby increasing the expenditure on personnel emolument and further escalating the wage bill.			
		The County Government undertook a staff identification exercise to wind out any ghost workers by issuing staff badges for identification purposes. Therefore, all the paid employees are genuine workers.			
			Benjamin Gachichio		
	2.2 Employees sharing identical bank accounts	The error in the bank account details for employees listed above was noted, reported and the matter resolved by the Sacco via response letter CS/2567/ACCOUNTS/11/19 dated 26th Nov, 2019. Salaries were paid to the respective Sacco through a suspense account and remitted to the individual accounts. The officers were issued with new account	Elizabeth Mathenge		

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

1.1	Non-compliance with the one third basic pay rule	This was occasioned by effecting of deductions of Government liabilities e.g.	Elizabeth Mathenge	Pending senate	Pending senate
		i) Deduction of monthly rents and arrears. The department for housing increased the monthly rent but delayed in communicating to the county where some of the officers are occupying government houses. When the communication reached the county the deductions for both the new rent amounts and the arrears thus going beyond the 1/3 requirement.			
		ii) Pension for officers employed by County Public Service Board on Permanent and Pensionable Terms. The Board's letters of appointment indicated that all officers who are on Permanent and Pensionable terms would be incorporated in a Pension Scheme Fund at a time when the County Government develops or appoints a scheme to serve the County Government of Nyeri staff. This affected the one third rule when it was effected.			
		iii) All those officers under interdiction and suspension affected the 1/3 rule as the law indicates that they can only be paid half salary and allowances thus affecting the 2/3 of the officer's basic salary arising from other existing commitments (deductions).			
2	Irregular payment of rent for council of Governor's office	The Council of Governors, on behalf of County Governments, entered into an agreement for lease of County Liaison offices at Delta Centre, Westlands, Nairobi, on 6th January 2014. Counties have since been paying rental fees for the facility as per the lease agreement. We further wish to state that the lease for the Nyeri County Liaison office expired on 31st January 2020 and the county has since vacated the premises.	Solomon Chengecha	Pending senate	Pending senate
3.	Acquisition of Assets			Pending senate	Pending senate

Annual Report and Financial Statements
For the year ended June 30, 2021.

3.1	Unutilized markets	The construction of Kamakwa Market was proposed by the members of the public and was included in the CIDP for the period 2018-2022 p. g. 137, the same was also included in the ADP for Financial year 2018/2019. Therefore it's clear that consultation was made before the project was undertaken by the County Government. Additionally, these projects were completed in June 2019 and the allocation of market space to the traders takes a long process which sometime may take more than 3months. The process involves:- • Compiling the list of the original traders • Call for applications from new traders in case there is additional trading spaces (Notice takes 14 days) • Verifying and Compiling the list of the new applicant • Marking of the Trading spaces to get the number of Trading spaces (Vibandas) • Give Notice to Traders for balloting (this take about 14days). As at the time of the auditors visit, the market spaces were marked for allocation and the traders have now balloted for the space and moved to the market. Therefore, the market is now operational. <u>Nyaribo Market</u> The market was being constructed in phases. Phase involved fencing & construction of ablution block. By the time the Audit team visited the Nyaribo Market the Contractor had not yet handed over the Site since the project was ongoing. Only the first Payment Certificate had been issued and paid. Therefore, the traders could not have moved before the site is handed over to the county. The second phase will be done in the current financial year.	Ibrahim Adan Eden	Pending senate	Pending senate
3.2	Un-Executed Works – Gravelling and drainage works at NYEWASCO – Itara – Mumbi	The scope of contract in reference was as follows: -	Julius Kiogora Ringera	Pending senate	Pending senate

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

	Road	i) Nyewasco – Itara- Mumbi Road			
		ii) PEFA- Ngangarithi - Kandara Road			
		iii) Classic – Ngangarithi Pry- Town view road			
		The contract sum of the whole works was Kshs. 14,623,186.20/=. The 1st payment certificate of 7th June 2019 amounting to Kshs. 6,876,912/= was for the work done on the two roads i.e.			
		(1) Nyewasco - Itara - Mumbi Road			
		(2) PEFA- Ngangarithi - Kandara Road			
		Work on the third road, Bill No.3 i.e. Classic - Ngangarithi Pry- Town View road had not been done and hence was not included in this 1st interim certificate. This is the road which had Bills of Quantities where provision for culvert's and drainage works was costing Kshs. 2,991,800/=. The culverts and drainage work in this 3rd road were eventually done and hence paid in the second and final certificate dated 7th May 2020 and Bills of Quantities (BOQs)			
2.3	Low quality workmanship on PGH mortuary road	All the unsatisfactory issues had been brought to the attention of the contractor vide our letter Ref. CGN/TEND/INFRA/131 2018 -2019, addressed to the contractor, dated 21st August 2019. The contractor acknowledged receipt of our letter vide their letter Ref. PW/CGN/MORTUARY/01 dated 2nd September, 2019.	Julius Kiogora Ringera	Pending senate	Pending senate
2.4	Delay in project implementation	The Department wish to indicate that the hospital was still in operation during the period under review. The reason for the extension was to guarantee uninterrupted services. The services were ongoing and the hospital had a challenge of moving services to other buildings. These included Laboratory services, consultants' clinics, and pharmacies. This necessitated the project manager to grant an extension of the project's completion to 31st January, 2020.	Newton Wambugu	Pending senate	Pending senate
2.5	Unutilized water pipes	Laying of 524 pipes had been delayed by lack of consensus with one Community Water Project at the time of audit inspection. This matter has since been	Pauline Ndegwa	Pending senate	Pending senate

Annual Report and Financial Statements

		resolved amicably and pipes successfully laid.			
3	Poor Workmanship in Construction Projects			Pending senate	Pending senate
3.1	Construction of Ngorano Technical Workshop	By the time the audit exercise was carried out, the contractor had not been refunded the retention fee. The management followed and all the anomalies were rectified.	SIMON WACHIRA	Pending senate	Pending senate
3.2	Construction of Rodama ECDE	By the time the audit exercise was carried out, the contractor had not been refunded the retention fee. The management followed and all the anomalies were rectified.	SIMON WACHIRA	Pending senate	Pending senate
4	Unsurrendered imprests	The amount of Ksh. 19,960,734 in the financial statement was as a result of imprests that had been manually surrendered but had not yet been cleared in the system. During the month of May and June 2019 there was a big challenge in the surrendering of imprests in the IFMIS system resulting to the said amount. The imprests have so far been surrendered and can be confirmed in the imprest register. As way of addressing the problem a treasury circular Ref: CGN/FEP/1/6/ VOL.II (13) dated 19th August 2019, was issued	LUCY KANGANGI	Pending senate	Pending senate
5	Delayed completion of valuation roll	The preparation of Valuation Roll is a legal process entrenched in the Rating Act Cap 267. The preparation process was legally followed upto gazettelement of the draft Valuation Roll where objections were raised. The law requires that objections are addressed through a Valuation Court. The department appointed the members of the Valuation Court on 25th February, 2020. Unfortunately, the court did not proceed due to the restrictions under Covid-19. We are therefore waiting for further guidance from the Magistrate's Court on how to proceed. The County Government further engaged stakeholders within the five wards but follow-up engagements in the wards were halted due to Covid-19 restrictions.	Hannah Maranga	Pending senate	Pending senate

COUNTY EXECUTIVE - COUNTY GOVERNMENT OF NYERI
Annual Report and Financial Statements
For the year ended June 30, 2021.

		The management has gone ahead and prepared a County Valuation for Rating Bill that has incorporated out of court dispute resolution mechanisms. On approval the Act will ensure that the outstanding disputes are heard within a legal framework without necessary waiting for the Valuation Court. (See an extract of the bill).			
	Insufficient information technology system controls	The County ICT Steering Committee is currently at its formation stage. This has taken longer than expected because of the ongoing restructuring of the Directorate of ICT which was recently moved to the Governor's office because of its crosscutting and critical support role. The process of setting up the ICT Steering Committee is however being fast tracked as necessary structures are put in place.	Benjamin Gachichio	Pending senate	Pending senate
