**CFSP and Medium Term Expenditure Framework
Public Participation Report**

FEBRUARY, 2025

COUNTY GOVERNMENT OF NYERI
MUNICIPAL MANAGER
MUNICIPALITY OF NYERI
P. O. Box 1112-10100, NYERI.

Introduction

The County Government of Nyeri initiated a comprehensive public participation process as part of the development and review of the County Fiscal Strategy Paper (CFSP) and the Medium-Term Expenditure Framework (MTEF) Budget Estimates for the fiscal years 2025/2026 to 2027/2028. This initiative underscores the county government's commitment to inclusive governance and the principles of public accountability and transparency. The process aimed to gather input, suggestions, and insights from the residents of Nyeri County to ensure that the fiscal planning and budgetary allocations reflect the community's needs and priorities.

In line with this, the county scheduled public forums on February 5th and 6th, 2025, across various sub-counties. These forums represented a critical opportunity for stakeholders, including local residents, business owners, civil society organizations, and other interested parties, to contribute to the shaping of the county's fiscal policies and budgetary priorities for the upcoming years. In collecting the opinions, the county government emphasized that all proposals and submissions must be in aligned with the Annual Development Plan (ADP) and the County Integrated Development Plan (CIDP), in an effort to ensure that the budgeting process is strategically aligned with the county's long-term development goals.

Participants were also encouraged to make their submissions in writing directly to the County Treasury. With regard to this, the county provided contact information to facilitate this process, ensuring that all community members have the opportunity to participate and contribute to the fiscal planning process.

This report aims to document the public participation process, capturing the range of inputs received, as well as the key themes and priorities identified by the community. The report will serve as a vital tool for the County Government of Nyeri in making informed decisions that reflect the collective aspirations and needs of its residents, thereby fostering sustainable development and enhancing the quality of life within the county.
